

JOIN THE PARTY!

The Nassau Libertarian Club has launched itself into action in 1976. Dick Savadel, libertarian from Glen Head, is running for state senate from the 5th district. He will be on the ballot on the libertarian line, and only the libertarian line. (Contact Steve Schneider for further details. 569-1725)

At our February meeting we decided to hold a series of public forums and panel discussions to expose the people of Nassau County to libertarian ideas on subjects which directly affect them. The first such forum, to be held sometime in April, will be on education, public funding vs. private education, or something to that effect. Future topics possibly will be repeal of laws against gambling, and converting public services to the private sector. (Contact Phil Machmer, NLC secretary, PE1-1069, or Bob Banow, NLC vice-chair, 747-7370 for further details).

For these and other activities we need money and your active participation, however, we will settle for money as a starter. Our dues are \$5.00 per year. Those of you who have not yet joined or renewed your membership, I ask you to do so as soon as possible. For those of you expecting to attend the State Convention (March 26, 27, 28) as voting members, you must renew by Feb. 25. Any and all contributions above and beyond those required for dues are hereby solicited and will be gratefully accepted. Send money to:
