## PARTY HISTORICAL PRESERVATION COMMITTEE

MEETING SUMMARY March 19, 2024

- Date and Time:** Tuesday, 19 March 2024 at 5:30pm Mountain time
- Where:** Online: Zoom
- Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Ed Fochler, James Gholston, Andrew Kolstee, Sam Bohler, Lisa Gansky
- Other Attendees:** none

The meeting was called to order at 5:35pm Mountain time.

**Records of Past Meetings:** The minutes of the 20 February and 5 March meetings were approved without objection.

**Templates:** Andrew reported that he fixed the issue with the convention template parameters and ran a bot to update existing articles to match.

**Site Statistics/Technical:** Ed reported traffic numbers for the main site and noted that the backup/recording server gets almost no traffic. There was discussion of ways we could save some money by not paying for that as an active server, including keeping it available to be turned on again and using some other LP server for testing of backups and/or the recordings. There was general agreement that we should consider such steps but keep things as they are for the next few months.

**Convention Memorial Committee:** Lisa reported that some people have been providing names for the project but without any details of who they were or when they died, which means she then has to do all the research herself; she cited one case where she wasn't even given enough information to be sure the person had died.

**Alabama:** Sam reported that the state party has decided to keep their EC and convention minutes on LPedia.

The next meeting is scheduled for 2 April.

The meeting was adjourned at 6:21pm Mountain time.
