MAKE FRIENDS AND INFLUENCE PEOPLE!!!

Few of us in our daily lives spend much time around people who share our political goals and personal philosophy - that of libertarianism. We're frustrated by the casual or fatalistic acceptance of statism of most of the people we deal with in our day-to-day existence. What we need is to spend more time with other libertarians - time that renews our dedication to the goal of freedom in our time - time that lifts our spirits - time that helps us maintain a positive frame of mind.

Have we got a deal for you! All it takes is one phone call to one of the following people and we will enable you to spend time with REAL LIBERTARIANS, doing REAL LIBERTARIAN STUFF!!! And, as an added bonus, there are so many different things to do, that you can choose what YOU are interested in and use those talents YOU as an individual have been looking for an outlet for.

Call: Dwight Filley (322-2689) - a great guy with a cute beard
Penn Pfiffner (427-4357) - who has been known to be a really FUN GUY
Bob Hurt or Betty Hurt (329-3218) - a real party kind of couple
OR, leave a message at the office (753-6789)

HAPPINESS IS A WARM LIBERTARIAN!
