Caryn Ann,

In case you missed it, we recently announced we will be filing for conservatorship over Joe Biden and Mitch McConnell.

This may be unconventional, but it needs to be done.

Our politicians are a deadly combination of senile and corrupt, but we can put a stop to their actions! How? By helping Libertarian candidates win elections so they can nullify bad policies.

Our goal is to raise \$24,000 online before the end of the month to prepare our war chest for the 2024 elections. Your urgent support will help the Libertarian Party win ballot access and help candidates win elections! **Click below to donate today.**

The Libertarian Party provides guidance, resources, and support to ensure that Libertarian candidates have the opportunity to compete on a level playing field.

We only support candidates who strongly oppose any government interference in your personal, family, and business decisions. And every candidate we run, and every election we win, helps to give liberty a voice in this country.
