

LPNY Volunteer Survey

Growing our volunteer base

For those of you who don't know me, my name is Andrew Martin Kolstee and I am Chair of the Chautauqua County Libertarian Party. I am also Chair of the LPNY's Organizational Structure Committee, which is tasked with improving the structure of the LPNY so that we can achieve rapid party growth in our state.

I am sending this message to everyone to see who would be interested in helping the LPNY through various volunteer opportunities.

Volunteer survey

We have a number of committees that we need filling, and if you have the skills set for one or more and would like to get more involved, let us know! We have a survey in which you can check which committees interest you as well as which skills / knowledge you could bring to the LPNY. There is also a place to comment.

If you would like to get involved through volunteer opportunities, the button below will take you to our survey.
