Chairman's Report

As per our Bylaws Article II, Section 1, the duties of the Chairman are as follows:

The Chair shall be the Chief Executive Officer of the Party, holding the powers of administration pertaining to the ordinary business affairs of the Party and such other powers as may be delegated by the Board of Directors, as well as overseeing leadership training and succession planning at all levels within the Party. Unless otherwise specified in the Party's Bylaws, Special Rules of Order, or resolutions of the Board, the Chair is responsible for appointing the chairs of all committees. The Chair shall call the Convention as specified in the Party Constitution. The Chair, or their designee, including other Board members acting within their designated job duties at the direction of the Chair, shall be the person who shall communicate on behalf of the Party.

The newsletter is ready to go to the printer thanks to BetteRose, Michele, Eric, Alan, John & others who contributed to making it happen.

The convention for 2021 is coming along nicely and we have an amazing array of speakers and activities that will make the golden anniversary convention in Golden Colorado an event to be remembered. I would like to thank the Convention chairman, Beatriz Sutton and her team for making this event happen!

The affiliates in the Denver metro area are preparing a party for St. Patrick's day and I am excited to see many faces at the party!

Thanks to the members of the Constitution and Bylaws committee & the platform committee for their hard work.

As the one year anniversary of two weeks to flatten the curve comes up, I suggest we protest against the draconian mandates once again. We need to get our freedom back, we need to be able to work and play and live as we did once before. Mandates have proven to not work and it's imperative that we send a clear message to our employees (elected officials) that we will not give up our liberty any longer!

I would like to reiterate that a certain level of decorum is expected at all of our events and respect for each other is paramount. Should anyone interrupt the board, or use profanity during a meeting, they will be given one warning. If such behavior continues, they will be escorted out of the meeting or muted on the call. Republicans and Democrats want us to fight amongst ourselves, if we are doing what they want they won't be held accountable.

Let us leave any personal differences aside and work together towards liberty. This is the way that we can make the duopoly accountable to the people.

Now is the time to get involved and volunteer in outreach events, in legislative issues and start running for office for 2022 or local and municipal offices for 2021. It is imperative that we stand up for our principles and not allow Colorado to become a place where tyranny reigns and the government runs rampant. Let's not allow that to happen!

***In Liberty,
Victoria Reynolds
State Chairman, LPCO***

Any anticipated large future expenses (> \$1,000 annually), whether one-time or instalment, I propose to budget in the same manner as with the annual convention, where I reserve funds

monthly into a specific sub-account. For reminder for me and continuity for subsequent treasurers, the standard reserve of \$1,500 has been placed in a sub-account.

February one-time (12 contributors) donations, \$833.85.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is \$100 or more, then I also need the donor's occupation and employer. Please refer to the postscript in Treasurer's Report July 2016 for a list of TRACER-accepted occupation names. We can't accept cash donations over \$100. We can't accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than \$20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can't include more than \$100 in cash.

FEC Filing: Report filed 01/26/2021. Next report due 07/30/2021. Because our subscription to LNC's Affiliate CRM Plan is paid to a national party, those contributions are FEC reportable. Transfers to and from regular checking into federal activity account are also FEC reportable.

Filed TRACER report 12/01/2020. Next report due 04/15/2021.

Participated on C&B Committee via Zoom.

If you don't hold the politicians you support accountable—if you think your team should violate the Rule of Law because the other team did—if you think all that matters is winning —then you should expect nothing short of routine corruption from the people you elect.

War is Murder

"Soldiering is sold as fighting for freedom, and governments want us to be grateful for their wars, but just by putting on that uniform, every soldier makes the citizens less free. Being a soldier is a choice. No one can force you to do something immoral. When we see through the propaganda of collectivism, there will be no more militaries. When we hold each other accountable for individual acts of violence, there will be no more war. When we demand our freedom, there will be no more soldiers."
