Records of Past Meetings: The minutes of the 16 July and 6 August meetings were approved without objection.

Nolan Collection: Andrew plans to meet with Paul Darr (LNC member who has volunteered to help with this) soon. Andrew reported that the main part of the collection consists of 10580 PDFs, of which he has processed more than 300 so far (either uploading them, or if not appropriate for uploading then adding them to an index). There are also some JPEGs, and some index files that were added by the Library of Congress.

Site Technical: James suggested that there may be a problem with some special pages not updating properly.

Featured Article: Lisa suggested we might want to feature the article she worked on about Michael Rebmann.

The next meeting is scheduled for 3 September.

The meeting was adjourned at 5:08pm Mountain time.
