Dear Caryn Ann,

We are pleased to announce that the website for the 2024 LPPA Convention is live. Go to convention.lppa.org to purchase tickets for the weekend as well as register for the business meeting, find the hotel information (there is a room block with reduced rates), and download the convention schedule. From this site you can also purchase program ads and purchase a vendor table.

In 2024, we are focused on the both the Presidential Election (as at the LPPA Convention the party will select its national delegates to send to the National Convention in Washington, D.C.), as well as honoring the legacy of the First Continental Congress, by celebrating its 250th Anniversary, as it occurred in Philadelphia in 1774. To that end, there are both special guest speakers that weekend as well as presidential candidates that are confirming their attendance for a Libertarian Presidential Candidate debate that weekend on Saturday.

Please note that we have made every effort to make this convention affordable for those who would attend throughout the weekend. Prices have been significantly reduced from the previous convention. We ask that everyone consider purchasing a gold or silver package (depending on what you can attend), but even if not, all food options and events have a la carte tickets available. Space may be limited for dining that weekend depending on attendance as this is a presidential convention year, so we suggest that as soon as you can, that you secure your tickets.

So join us in Harrisburg, our State Capitol, the evening of Friday, March 1 through Sunday afternoon March 3, for the biggest event of the year for the LPPA. Support liberty everywhere, and spread the message of liberty throughout the land.

Happy Holidays from the LPPA.

In Liberty,

2024 LPPA Convention Committee
