OBSERVERS (1)

T.J. Ferriera, Porcupine Administrator

The meeting was called to order at 7:06 p.m. by Andrew Kolstee, Chair. Secretary Mark Braiman conducted a roll call and determined that a quorum was present.

A request for public comment by Chair Andrew Kolstee received no comments.

The Credentials and Nominations Report (**Exhibit 1**) indicated that there were thirty-one (31) of fifty-nine (59) voting members of the State Committee present at the time of roll call. Six (6) later entered the meeting, to give thirty-seven (37) members present out of fifty-nine (59) members of the State Committee after the filling of vacancies. The Secretary determined that a quorum was present at all times during the meeting.

The **Agenda (Exhibit 2) was adopted** without objection.

Chair Andrew Kolstee called for the filling of one (1) State Committee vacancy from Judicial District 5. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling this vacancy until the next meeting of the State Committee.

Chair Andrew Kolstee called for the filling of two (2) State Committee vacancies from Judicial District 6. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling these vacancies until the next meeting of the State Committee.

Chair Andrew Kolstee called for the filling of three (3) State Committee vacancies from Judicial District 7. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling these vacancies until the next meeting of the State Committee.

Chair Andrew Kolstee called for the filling of two (2) State Committee vacancies from Judicial District 10. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling these vacancies until the next meeting of the State Committee.

Chair Andrew Kolstee called for the filling of two (2) State Committee vacancies from Judicial District 12. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling these vacancies until the next meeting of the State Committee.

Chair Andrew Kolstee called for the filling of one (1) State Committee vacancy from Judicial District 13. Secretary Mark Braiman reported that no one had been nominated in advance. Chair Andrew Kolstee, hearing no nominations from the floor, postponed filling this vacancy until the next meeting of the State Committee.

Treasurer William Cody Anderson issued a Treasurer's Report in writing (**Exhibit 3**) and the report was accepted without objection.

Field Development Director Andrew Kolstee issued a report regarding the level of progress by County Affiliates to meet criteria required for recertification. Motion by Justin Carman to **certify that the County Affiliate in Wayne County has met the criteria required in Article 11.2.3. of the Rules of the Libertarian Party of New York** was seconded by Sean Phelan and passed without objection.

A hearing on the revocation of the affiliation of the County Affiliate in Albany County was held. Motion by Mark Braiman to **adjourn the hearing to consider revocation of the affiliation of the County Affiliate in Albany County until the first State Committee meeting after the November 7, 2023 election** was seconded by Richard Purtell and debated. Mark Braiman stated his reason for proposing the adjournment was that Andrew Kolstee reported Albany County had attempted to hold a convention on March 14, 2023 but had to postpone due to weather. Albany County Chair Justin Carman spoke in support of adjourning the hearing, expressing his intention to hold a convention sometime during the summer of 2023. The original motion to **adjourn the hearing** passed without objection.

A hearing on the revocation of the affiliation of the County Affiliate in Chenango County was held. Andrew Kolstee reported that the affiliate is not actively holding meetings, and they have not attempted to hold a convention. Thomas Quiter, Chenango County Chair, has expressed an interest in appointment as County Liaison in the event of revocation of affiliation. Motion by Craig Shute to **revoke the affiliation of the County Affiliate in Chenango County** was seconded by Brian Wells and passed without objection.

A hearing on the revocation of the affiliation of the County Affiliate in Fulton County was held. Andrew Kolstee reported that the affiliate is holding regular meetings, but with insufficient attendance to hold a convention. The most recent attempt to hold a convention was on September 24, 2022. Motion by Christopher Olenski to **adjourn the hearing to consider revocation of the affiliation of the County Affiliate in Fulton County until the first State Committee meeting after the November 7, 2023 election** passed without objection.

A hearing on the revocation of the affiliation of the County Affiliate in Montgomery County was held. Andrew Kolstee reported that the affiliate held their most recent meeting in early 2022; they are not actively holding regular meetings; and they have not attempted to hold a convention. Kolstee reported he had sent several warning emails and messages to the current chair. Motion by Christopher Olenski to **revoke the affiliation of the County Affiliate in Montgomery County** was seconded by Brian Wells and passed 21-3-7 (see Appendix 1A for details).

A hearing on the revocation of the affiliation of the County Affiliate in Orleans County was held. Motion by James Ziobro to **revoke the affiliation of the County Affiliate in Orleans County** was seconded by Duane Whitmer and debated. Andrew Kolstee reported that they have not attempted to hold a convention, and that there were four (4) different chairs since 2021-due to a variety of reasons. The current Chair Ajay Butcher attempted to hold meetings on the Zoom Meeting App, but other officers have refused to attend them. Others allied with former chair Delta Hill (formerly known as Chase Tkach and reported to be an erstwhile Republican), attempted to remove Butcher in an officer group chat in Facebook Messenger, and not in a proper meeting. Due to this disorderly proceeding and other factors mentioned, Kolstee

recommended that the affiliation be revoked. The original motion to **revoke the affiliation of the County Affiliate in Orleans County** passed without objection.

A hearing on the revocation of the affiliation of the County Affiliate in Richmond County (Staten Island) was held. Andrew Kolstee recommended to adjourn the hearing until after November 7, 2023. Thomas Pinkhasov also spoke to the issue, because he was formerly Treasurer and told the Chair Susan Overeem-Cummings that he would be traveling. He expressed concern that there were no attempts to meet, and that an additional 3 or 6 months would not result in success. Motion by Steven Becker to **adjourn the hearing to consider revocation of the affiliation of the County Affiliate in Richmond County (Staten Island) until the first State Committee meeting after the November 7, 2023 election** was seconded by Sean Phelan and passed 14-10-5 (see Appendix 1B for details).

A hearing on the revocation of the affiliation of the County Affiliate in Schoharie County was held. Andrew Kolstee reported the affiliate attempted to hold a convention on April 8, 2023 but had inadequate attendance. Kolstee recommended to adjourn the hearing until after November 7, 2023. Motion by Stephen Becker to **adjourn the hearing to consider revocation of the affiliation of the County Affiliate in Schoharie County until the first State Committee meeting after the November 7, 2023 election** was seconded by Sean Phelan, debated, and passed 20-3-6 (see Appendix 1C for details).

A hearing on the revocation of the affiliation of the County Affiliate in Westchester County was held. Andrew Kolstee reported that there has been no attempted convention and that current Chair William Schmidt, the only remaining officer, recommends revocation of affiliation so that a new County Contact can be appointed. Motion by Christopher Olenski to **revoke the affiliation of the County Affiliate in Westchester County** was seconded by Craig Shute, debated, and passed without objection.

Rules Committee Chair Andrew Kolstee issued a report in writing (**Exhibit 5**).

Motion by Michael Rebmann on behalf of the Rules Committee to **amend the Rules of the Libertarian Party to adopt Proposal 1** passed without objection.

Motion by Justin Carman on behalf of the Rules Committee to **amend the Rules of the Libertarian Party to adopt Proposal 2** passed without objection.

Motion by Christopher Olenski to **reconsider the adoption of Proposal 1 as an amendment to the Rules of the Libertarian Party** was seconded by Thomas Pinkhasov, debated, and failed 6-20-4 (see Appendix 1D for details).

Motion by Karyn Keniry-Thompson on behalf of the Rules Committee to **amend the Rules of the Libertarian Party to adopt Proposal 3** was debated. Motion by Robert Schuon **to amend to strike the words “...at all times”** was seconded by Mark Braiman and passed without objection. The original motion to **amend the Rules of the Libertarian Party to adopt Proposal 3 as amended** passed without further objection.

Motion by Daniel Castello on behalf of the Rules Committee to **amend the Rules of the Libertarian Party to adopt Proposal 4** was debated. Motion by Robert Schuon **to refer or commit Proposal 4 back to the Rules Committee** failed due to lack of a second. The original motion to **amend the Rules of the Libertarian Party to adopt Proposal 4** passed 18-4-9 (see Appendix 1D for details).

Platform Committee Chair Mark Glogowski issued a report in writing. Motion by Mark Glogowski that the State Committee to **consider a vote on six (6) different versions of a platform plank on abortion, allowing the State Committee to choose from among them.** Mark Braiman made a point of parliamentary inquiry to clarify whether Glogowski's intention was to carry out approval voting as well as a secret ballot using the Porcupine App, and whether this would be possible or appropriate. Chair Andrew Kolstee ruled to allow a Porcupine ballot with approval voting, using multiple rounds to determine whether the most popular choice could achieve a majority and could receive more votes than NOTA. Justin Carman objected and raised a point of order asserting that the Special Rules of Order do not provide for such a voting procedure. Kolstee stated that the point of order is not well taken. Motion by Justin Carman to **challenge the ruling of the Chair** was seconded by Michael Rebmann, debated, and **the ruling of the Chair** was not sustained 10-18-3 (see Appendix 1F for details). Justin Carman objected to the issuance of the report of the Platform Committee. Before the Chair issued any ruling on this objection, Mark Glogowski **resigned as Chair and member of the Platform Committee.**

Motion by Blay Tarnoff **to populate the Platform Committee with volunteers.** Chair Andrew Kolstee ruled that a formal motion was unnecessary, and instead asked for volunteers for the Platform Committee. **Justin Carman, Daniel Castello, Paul Grindle, Jennifer O'Connor, Christopher Olenski, Richard Purtell, Michael Rebmann, Keith Redhead, Robert Schuon, Blay Tarnoff, and Karyn Thompson volunteered and were appointed to the Platform Committee** without objection. Chair Andrew Kolstee stated that he will allow the Platform Committee to select a chair from among the members of the committee.

Motion by Justin Carman **to authorize an additional one thousand two hundred dollars (\$1,200) for the contract with Humanitru, to include migration charges** was seconded by Sean Phelan and passed without objection.

Motion by Sean Phelan to **approve a hearing to consider the removal of Jeffrey Bradley as a member of the State Committee from Judicial District 7 due to abandonment of position** was seconded by Robert Greibesland. Motion by Duane Whitmer to amend the motion to also consider the removal of Erin Becker, so that the motion would state “**approve a hearing to remove Jeffrey Bradley as a member of the State Committee from Judicial District 7 and Erin Becker as a member of the State Committee from Judicial District 8, due to abandonment of position.**” A point of order was raised by Blay Tarnoff, who stated that the Rules do not allow a hearing for someone who evinces an interest to continue to be a member of the State Committee, and that Becker’s presence at the current meeting indicated her interest. Kolstee asked Becker whether she intends to continue to be a member of the State Committee. Becker affirmed that she does intend to do so. Kolstee ruled that the Whitmer amendment was therefore out of order. Motion by Christopher Olenski to **challenge the ruling of the Chair** was seconded by Justin Carman, debated, and **the ruling of the Chair was upheld** 21-4-2 (see Appendix 1G for details). A point of order was raised by Christopher Olenski that the proposed hearing for Jeffrey Bradley’s removal is also out of order, since Jeffrey Bradley too had expressed the intent, in a May 30, 2023 email, to attend the current meeting of the State Committee and therefore to continue his position. The Chair agreed that the point of order was well taken and ruled that the motion to hold a hearing for Jeffrey Bradley was out of order. Motion by Michael Rebmann to **challenge to the ruling of the Chair** was seconded by Justin Carman, debated, and **the ruling of the Chair was upheld** 17-3-7 (see Appendix 1H for details).

Motion by Karyn Keniry-Thompson to **adjourn** was seconded by Robert Schuon and passed 16-1-1 (see Appendix II for details).

The meeting was **adjourned** at 10:49 p.m.

Mark Stephen Braiman,
Secretary

Exhibit 3 (page 2 of 2)

All funds remaining in the petitioning account (\$3935.95) have been transferred to the CC account. This effectively closes the account, and the 2022 Petitioning Committee will be dissolved presently.

For the state committee's reference, a summary of monthly donation income since the current state committee was seated appears below. We have seen monthly income trending downward since November 2022.

Oct 22 - \$1005.75

Nov 22 - \$1663.41

Dec 22 - \$1455.07

Jan 23 - \$1019.95

Feb 23 - \$1285.21

Mar 23 - \$1193.01

Apr 23 - \$1032.17

May 23 - \$825.60

Although our recurring monthly expenses have held steady for some time, the implementation of the Humanitru CRM system will have significant one-time (\$1200) and recurring costs (\$3000/year) that we will need to cover going forward.

In short: monthly revenue must be increased significantly in order to adequately cover both our additional recurring expenses, as well as the unexpected expenses, such as for legal and candidate support, we are certain to incur. I defer to the Finance Director to speak to the ways in which he intends to attain the means we require, and to the Communications Director to speak to progress made on resuming our email outreach, which has traditionally been our best opportunity to energize our base and ask for donations periodically.

Respectfully submitted,

W. Cody Anderson
Treasurer
