Treasurer, 06 February 2019

As per our Bylaws Article II, Section 9, the duties of the Treasurer are as follows:

The Treasurer shall be responsible for maintaining accurate records of all income and expenses associated with the operation of the Party and shall present a summary of all income and expenses incurred at the regular meeting of the Board. The income and expense summary may be limited to activity since the last regular meeting of the Board. The Treasurer shall also prepare budgets for the other board members or assist them in preparing their own budgets.

As of 06 February 2019, PayPal balance was $674.83.42.
As of 06 February 2019, BBVA Compass balance was $20,270.82.
As of 06 February 2019, Stripe balance was $269.34.
As of 06 February 2019, FEC account balance was $20 ($200 minus $180 to LNC via check)

Held in reserve:
- Standard reserve $1,500.00
- State Convention reserve $10,000.00
- Marketing & Outreach $250.00
- NationBuilder reserve $2,600.00
- Clear Creek Co DG $40.00
- Denver Co DG $439.00
- Larimer Co DG $15.00
- Weld Co DG $15.00

As of 06 February 2019, Total accessible (excluding reserved funds) balance was $6,405.99.

Monthly since 24 May 2017 I have started corralling one twelfth the annual NationBuilder fee in QuickBooks and in this report so that the sudden expense in April doesn’t catch us unprepared. Based on the NationBuilder annual fee paid 24 April 2018, the monthly cut is $260. Our accessible balance has increased $1502.00 since last month.

Any anticipated large future expenses (> $1,000 annually), whether one-time or instalment, I propose to budget in the same manner as with NationBuilder, where I reserve funds monthly into a specific sub-account. For clarity for me and subsequent treasurers, the standard reserve
of $1,500 has been placed in a sub-account. Starting April 2018 state convention funding is being reserved on a monthly basis.

January subscription (18 recurring) donations to PayPal, Stripe & Compass Bank for January, $567.76, a gain of $75.00.

January one-time (3 contributors) donations, $228.00.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is $100 or more, then I also need the donor’s occupation and employer. Please refer to the postscript in Treasurer’s Report July 2016 for a list of TRACER-accepted occupation names.

We can’t accept cash donations over $100. We can’t accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than $20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can’t include more than $100 in cash.

01 November 2018, paid $1,000.00 deposit out of convention reserve fund to Hotel Elegante (Colorado Springs) for 2019 convention.

The earmarked contribution that we received November 2018 was placed in sub-account “Marketing and Outreach” to facilitate accounting. Since most of our expenses are marketing and outreach, it is somewhat inaccurate to consider this earmarked amount as “reserved” but its usage is limited so henceforth it will be handled as such.

John Hjersman

FUNDRAISING DIRECTOR REPORT FEBRUARY 2019

Article II - DUTIES OF THE BOARD - Section 10:
The Fundraising Director shall be responsible for establishing and operating fundraising activities including, but not limited to, a monthly pledge program, and for reporting all income and expenses related to fundraising at the regular Board meeting.

I Requested and received access to google drive and to other functions. I also requested and received a list of people who have donated to the party in the past. I have made various phone calls to people on the list to ask for donations for the LPCO.

I have also spoken with a possible speaker for our convention, whose name should help sell tickets.

Nothing further to report for this month.

In liberty,

Victoria Reynolds
DUTIES AND POWERS
BY Art II Sec 4

“The Campaigns Director shall identify political races and coordinate candidate and issue development. The Campaigns Director shall be responsible for, and coordinate, all political campaigns of the Party.”

January Activity:
David Aitkin provided training on the new database and pointed out several features for candidate fields that will be very useful in the next election cycle in particular. Submissions for potential candidates are being emailed an electronic questionnaire, which will provide additional data that will be entered into the CiviCRM database. This information includes asking for their community and Libertarian involvement and volunteer efforts, and also if potential candidates are current National members, and if they donate regularly to the LPCO.

The Campaigns Committee Zoom online meeting was held at 3pm on January 20, 2019. Report submitted to the LPCO Board.

Kim Tavendale
CAMPAIGNS DIRECTOR
January 2019 Meeting Summary:
The January meeting of the Campaigns Committee was well attended via Zoom. We discussed the reporting of various local races around the state, with some suggestions being made as to possible contacts in several counties who may be willing to research local elections. A group chat for Facebook was suggested as a convenient way for committee members to keep in touch and keep a record of items discussed. Lance Cayko said he would be willing to set this up. With elections being held in May for Denver City and County races, getting a date for the Denver LP group set well before the filing deadlines in March was agreed to be important. That way, candidate recruiting for local races could be done at the event. A date of February 19th was proposed. It was brought to the committee’s attention that Darrell Dinges had left the LP after his campaigning methods and/or style were heavily critiqued. The committee felt that Wayne Harlos in his position as State Chair should give Darrell a call to extend our apologies for his treatment. Kim Tavendale will reach out to Raymon Doane for an update on his campaign for Denver City Clerk & Recorder and report in February’s meeting.

Next Meeting:
Zoom online meeting: 3pm February 24th, 2019.

**Gun Shows:**

There has been interest expressed in participating in gun shows as available. The Tanner Gun Shows are scheduled about every two to three weeks in locations including Denver, Longmont, Colorado Springs, Pueblo. They generally run through a weekend. Cost ranges from $75 to $85 depending on location. Show times are 9:00 – 5:00 on Saturday and 9:00 – 4:00 on Sunday with setup between 7:00 and 8:30 on Saturday. I cannot personally commit to these events as weekends are my prime income earning (job) opportunities. However, I’m sure we can get approval from the board to sponsor participation if we can get a couple of volunteers together to be responsible to represent the Party at any or all of these events. Your Outreach Director will handle registrations and payment and see that you are supplied with materials such as brochures, banners, etc. Schedule through February is listed below:
Tanner Gun Shows

Helpers must remain at tables.
Helpers must be approved in advance.
Dogs are absolutely not allowed in the show.
Vendors must obey all federal, state and local laws—no exceptions.
Payments must be received seven days in advance in order to receive discount.

Always looking for suggestions as to any upcoming events for participation especially in cooperation and support of affiliate or other Libertarian groups outside of the Denver Metro area.

I challenge everyone to seek the Libertarian nomination for any and all seats available in 2019 and 2020 – including the seat that I have contested this year and in 2016, Colorado House of Representative for District 56. I intend to repeat my candidacy for this position if no other qualified candidates present themselves and provided I am selected as the nominee of the Libertarian Party of Colorado. Now is the time to roll on this. Do not wait until your duopoly opponents have a one to two-year head start. Don’t forget to look at available seats in local elections, many of which are non-partisan.

I am announcing now that I have no intention of seeking any LPCO Board Position when my current term as Outreach Director expires in 2020. I am seeking interested individuals who might be interested in the position of Outreach Director in 2020 to step up now as one of my key volunteers so that you can learn the ropes in advance of accepting the position. Please contact me at OutreachDirector@LPColorado.org to learn more.

Respectfully submitted,

I’m doing my best to find balance.

If you have any please reach out to me.

2/1/19 – All of the Knowledge Base articles are available here: https://lpcolorado.org/kb/.
2/1/19 – create email guidelines, donations, etc. (2 hours)
1/30/19 – misc stuff (2 hours)
1/29/19 – email to save the electoral college (3 hours)
1/29/19 – Had a long discussion with Ken Moellman (National LP IT Director) and Wayne Harlos about our email situation and Ken understands exactly what we need. The problem is getting from here to there. They are rewriting the email program. This was to follow a batch of changes which is now on hold due to resources and funding issues. Several states are in the same boat as we are, so there is some pressure to make this happen. In the meantime, we can send emails to either 1) everybody statewide; or 2) groups of less than 50 people. However, most of the people we have email for live in counties where we have more than 50 people with email, so emailing to the largest counties will require sending multiple batches of email, a time-consuming task. El Paso County, for example, has more than 1100 people with email, meaning that probably close to 25 batches will be needed to email only people in El Paso County.
