Bylaws

1. Name

The name of this association shall be the New Jersey Libertarian Party, hereinafter referred to as “NJLP,” and the association shall be incorporated under Title 15A of the laws of the State of New Jersey. The NJLP is a membership corporation without capital stock and is incorporated for liability purposes.

2. Purpose

The purpose of the NJLP is to organize the means for promoting Libertarian ideas and institutions. Specifically, the NJLP is a political organization organized and operated primarily for the purpose of achieving or otherwise influencing the selection, nomination, election or appointment of Libertarian candidates to federal, state, county, municipal, or regional public or political office; the election of Presidential and Vice-Presidential electors; and the passage or defeat of public questions.

3. Fiscal Policy

The NJLP may directly and indirectly accept contributions and make expenditures, as defined by Section 527 of the Internal Revenue Code.

The NJLP may also engage in public education, member education and civic affairs and shall administer separate Segregated Funds for the purpose of engaging in exempt functions as defined by Section 527 of the Internal Revenue Code.

Funds operated for the purpose of influencing the selection, nomination, election, or appointment of Libertarians to public office of the state or of a New Jersey county, municipality or school district or to aid or propose

passage or defeat of public questions in any New Jersey election shall be called the NJLP State Fund or State Fund.

Funds operated for the purpose of influencing the selection, nomination, election, or appointment of Libertarians to federal office or as electors for President and Vice-President shall be called the NJLP Federal Fund or Federal Fund.

Funds operated to indirectly support the activities of the State and Federal Funds in accordance with NJLP's exempt function under Section 527 of the Internal Revenue Code shall be called the General Fund.

The NJLP may establish a non-exempt fund for the purpose of raising and expending funds to engage in non-exempt secondary purposes. The non-exempt fund shall be called the NEF. NEF may not be commingled with the exempt funds of the NJLP.

The General Fund, the Federal Fund, and the State Fund shall be maintained separately. However, General Funds may be used to administer the Federal and State Fund in accordance with Federal and State Law (specifically but not limited to FEC and ELEC regulations) governing expenditure of Corporation funds for the administration of Segregated Funds.

No member may spend or commit NJLP funds except as authorized by the State Board, General Meeting or a State Convention.

4. Statement of Principles and Platform

a. The Statement of Principles affirms that philosophy upon which the NJLP is founded, by which it shall be sustained, and through which liberty shall prevail. The enduring importance of the Statement of Principles requires that it and this sentence may be amended only by a seven-eighths vote at the State Convention.

b. The NJLP Platform shall consist of the Statement of Principles and the implementation of those principles in the form of planks, and any appropriate additional material. The presentation of each Plank shall subscribe to the following subdivisions:

1. ISSUE, which shall be a statement of the reason why this subject is presented – the existence of a problem for the general population of New Jersey for which we believe we have a solution.
 2. PRINCIPLE, which shall be a statement of the specific implication of the Statement of Principles as it pertains to this ISSUE.
 3. SOLUTION, which shall be a summary presentation of the way this ISSUE should be addressed from a libertarian perspective.
 4. TRANSITION, which shall be a presentation of some possible measures that might serve to get us closer to the SOLUTION, would relieve the immediate oppression specified in the ISSUE, or might make it easier to implement the SOLUTION.
- c. Amending the Platform shall require the following support, depending on the subdivision:
1. ISSUE, PRINCIPLE, and SOLUTION shall require two-thirds (2/3).
 2. TRANSITION and the remaining “additional material” stipulated in (b) shall require a simple majority.
 3. Deletion of any plank in its entirety shall require a two-thirds majority.
- d. Discarding the platform requires a seven-eighths majority.

5. Membership

Membership is open to anyone who lives or works in the state of New Jersey who certifies in writing that he or she opposes the initiation of force as a means of achieving political or social goals. Thereafter, such a person shall become a member upon payment of dues to the NJLP. Payment of dues may be waived if the person is a full-time student at the time of joining or renewing.

Members shall be furnished, upon request of the VP Membership, a printed copy of the membership list at reasonable cost of reproduction or

an electronic copy at no cost, provided that the private list may be used only for official NJLP business and may not be disclosed to any other organization or non-member individual.

6. Meetings and Committees

a. General Meetings

1. General Meetings may be called by the State Chair, State Board, or by 5% of the entire NJLP membership plus five members.
2. At least two (2) weeks written notice shall be given for a General Meeting. General Meetings may be called as often as the notice requirements are met.
3. Any decision made by the State Board may be appealed to the next General Meeting, where it may be overturned by a majority vote, except that no valid financial commitment made by the State Board shall be repudiated.
4. A 2/3 vote at any General Meeting may remove any person from office in the NJLP, provided that notice of consideration of the removal of that person from office was included in the written notice of the General Meeting.
5. Full authority shall be vested in every General Meeting.

b. State Convention

1. The State Convention is a special General Meeting with the sole power to set dues; to adopt, amend, or discard the NJLP Platform; and to elect the officers and other State Board members. It shall be held once a year, no earlier than February 1 nor later than March 31, at the call of the State Board.

If required by changes in New Jersey election law, the NJLP State Convention may be held up to five months early if summoned by the State Board.

2. Delegates to the State Convention shall be chosen in accordance with written procedures which have been approved, without modification, by a 2/3 vote at two consecutive General Meetings. In the absence of such procedures, each member shall be deemed to be his or her own delegate without privilege of proxy.
3. There shall be no charge to members for participating in the business session of the State Convention.
4. Candidates for statewide office shall be nominated at the State Convention. In the absence of approved procedures for selecting candidates for other offices, such candidates may be nominated by the delegates.

c. State Board

1. The State Board shall consist of a Chair, Vice Chair, Secretary, Treasurer, VP Membership, VP Programs, VP Marketing, and three (3) Regional Representatives, for a term to expire at the conclusion of the next State Convention or when their successors are elected.
2. The State Board shall have the authority to fill any Officer or VP vacancies.
3. The State Board shall have full authority to act for the NJLP between General Meetings. The State Board may approve expenditures, draft positions, and select candidates after the annual State Convention. It shall also approve the appointments made by the State Chair as provided herein. The State Board shall prepare a non-binding budget for the NJLP for presentation at the State Convention. A financial review of the NJLP shall be conducted at least bi-annually under the direction of the State Board and the results distributed at the subsequent State Convention.
4. The State Board shall meet at the call of the State Chair or 25% of its members at least eight (8) times a year. At least ten (10) days notice shall be given for each meeting, but lesser notice shall suffice if all members agree.

5. State Board members are expected to attend State Board meetings regularly. A State Board member may designate in writing or by e-mail an alternate for a meeting at which the State Board member cannot attend, and the designee shall count toward the quorum and may vote if the other State Board members approve by a two-thirds (2/3) vote. Failure to attend three (3) consecutive State Board meetings by a State Board member or alternate during a term shall result in the State Board member's seat being declared vacant. Vacancy takes effect upon the call of the roll at the beginning of the third missed State Board meeting.
6. The VPs of Membership, Programs, and Marketing may engage other NJLP members to assist them in carrying out their responsibilities, as described in 9. Other Officials.
7. Regional members can select a Representative by any ballot procedure they choose and report the results to the NJLP Secretary, after which the elected Representative can take office. No election shall take place without fifteen (15) days prior notice having been made to all members in the region.
 - a. Only NJLP members residing or working in a region shall be eligible for their region's office of Regional Representative or alternate, and to vote for these offices.
 - b. Each region may elect one (1) Regional Representative.
 - c. The term of office for a Regional Representative shall be until the conclusion of the next State Convention or when the successors are elected.
 - d. A Regional Representative may be removed and replaced at any time by a two-thirds (2/3) vote, provided that only those individuals qualified to select the Regional Representative may participate in the decision to remove and replace the Regional Representative. The procedure for removal and replacement shall

be as determined by the State Board. Replacement shall be for the unexpired term.

- e. Vacancies otherwise created shall be filled in a manner determined by the State Board. The replacement shall be for the duration of the unexpired term.
- f. The Regional Representative office for a region is not vacant if no Regional representative has been elected to the position during annual elections.

8. Each member of the State Board shall have one (1) vote.

d. Bylaws Committee

The Bylaws Committee shall consider proposals for amendments to the Bylaws, Convention Rules, and Business Rules, and report to the membership at General Meetings. The Chair of this Committee shall be chosen by the members of the Committee. Any member who is absent for three (3) consecutive meetings shall be dropped from the Committee. Meetings may be held by teleconference or videoconference, and the Committee shall have the power to adopt Special Rules of Order and Standing Rules to facilitate the conduct of business by teleconference or videoconference. Agenda preference at General Meetings is to be given proposals that have been considered by the Bylaws Committee.

e. Platform Committee

The Platform Committee shall consider proposals for amendments to the NJLP Platform, and report to the membership at General Meetings. The Chair of this committee shall be chosen by the members of the Committee. Any member who is absent for three (3) consecutive meetings shall be dropped from the Committee. Meetings may be held by teleconference or videoconference, and the Committee shall have the power to adopt Special Rules of Order and Standing Rules to facilitate the conduct of business by teleconference or videoconference. Agenda preference at

General Meetings is to be given proposals that have been considered by the Platform Committee.

f. Openness Policy

All NJLP meetings are open to NJLP members, and such attendees may offer their comments on business of the meeting, if time permits.

On rare occasions when a meeting must deal with confidential matters, PART of a meeting may be closed for cause by a three-fourths vote. Members excluded by such an executive session shall be provided with an explanation for the exclusion, and the remaining meeting participants will provide a summary of actions decided to those excluded after the executive session is concluded.

Members of the public are usually welcomed to attend NJLP meetings as guests of NJLP members. Such guests may speak, if the members of the meeting by majority vote wish to hear the guest.

7. Officers

The NJLP officers shall consist of the State Chair, Vice Chair, Secretary, and Treasurer. They shall be elected at the State Convention for a term to expire at the conclusion of the next State Convention or when their successors are elected. Any member of the NJLP eighteen years of age or older may be elected an Officer.

- a.** The State Chair, who shall be the President in accordance with Title 15A of the laws of the State of New Jersey, shall preside over all NJLP meetings; be general spokesperson for the NJLP; execute all resolutions by the State Board and General Meetings; create and appoint standing and special committees (subject to the approval of the NJLP State Board); and appoint or remove the Party Counsel, both actions subject to the approval of the State Board.
- b.** The Vice Chair shall assume the duties of the State Chair in that person's absence and generally assist the State Chair.

- c. The Secretary shall maintain, record, and report minutes of all meetings, including the State Convention; carry out other duties as directed by the State Chair; and assume the duties of the Chair if that person and the Vice Chair are both unavailable.
- d. The Treasurer shall maintain and make available proper financial records and report them to all meetings; prepare and submit any government or other financial or tax reports as required; and prepare and mail renewal notices.
- e. All NJLP officers, State Board members, and other NJLP officials shall be NJLP members.

Meetings of the Trustees may be called, with seven days' notice, by any Trustee. Two Trustees constitute a quorum.

9. Other Officials

Project, Police Accountability, Pre-empted Ordinance Repeal Project and other special projects.

- e. Editors, webmasters, social media administrators and e-list moderators must all be members of the NJLP.

10. Affiliations

- b. Any officer or NJLP official shall be deemed to have resigned if he or she is a candidate for office representing any political group other than the Libertarian Party in a partisan election.
- c. All candidates must be NJLP members and run under the designation of “Libertarian Party” in partisan elections. The NJLP Secretary shall provide written certification to pertinent election officials that approved NJLP candidates are authorized to run under that designation.
- d. Except as provided in Section 10, the NJLP has no affiliation with any organization designating itself as a Libertarian Party of a particular county or counties or of a particular municipality or municipalities. The NJLP may otherwise transact business with such Parties consistent with its Purpose

11. Regional Organizations

a. Composition

There shall be three (3) Regional Organizations: Northern NJLP, Central NJLP, and Southern NJLP. Each NJLP member in good standing shall be a member of the Regional Organization for the region of his or her residence or workplace. An NJLP member can be a member of only one Regional Organization. Voting shall be restricted to NJLP members.

b. Selection of Candidates Entirely Within the Jurisdiction of

a Regional Organization

During the regional caucus at the State Convention, the Regional Organization may nominate candidates for offices entirely within the jurisdiction of that Regional Organization. The selected nominees shall be announced by the NJLP Secretary after the Regional officers have been announced. “None of the Above” may be nominated by affirmative action of the regional caucus. Any affirmative nomination by a regional caucus may be overturned only by that Regional Organization. Failure to nominate a candidate for an office entirely within the jurisdiction of a Regional Organization will leave such nomination open to be filled by the Regional Organization or the NJLP State Board at a later date. Any post-Convention nomination made by a Regional Organization shall be ineffective until the Regional Organization reports the candidates’ names and public offices sought to the NJLP State Board.

c. Selection of Officers of Regional Organizations

At a designated time during each State Convention, each Region shall caucus and elect a chair, a Secretary, and a State Board Representative, together with any other officers it may choose, from its membership, for terms to expire at the next State Convention. A person may be selected to hold more than one office, and need not be present at the State Convention in order to be elected, provided his or her consent is obtained.

By the close of the caucuses and resumption of regular State Convention business, the newly elected Regional Secretaries shall file with the NJLP Secretary the names and positions of those elected. Any Regional Organization not making such a filing shall be deemed to have chosen to remain inactive.

At a designated time, the NJLP Secretary shall report to the State Convention each Regional Organization which made a filing, the

offices established and the officers selected. After the report, the NJLP chair shall ask the assembly for any objections to approval of the Regional Organization as reported. In the absence of an objection, the Regional Organization reported shall be approved as an active Regional Organization. If there is objection, the regions not objected to shall be approved as active, and the approval of the remaining Regional Organizations shall be debated and brought to a vote.

At every General Meeting that is not a State Convention, there shall be a time designated for inactive Regional Organization to caucus and elect officers. The caucusing, reporting, and approval procedures shall be done in the same manner as at a State Convention. The terms of any regional officers elected shall expire at the next State Convention.

d. Meetings of Regional Organizations

Unless and until an active Regional Organization adopts bylaws to the contrary, a Regional Organization shall i.) meet at the call of its chair, or upon petition of five percent, but no less than three (3), of its members; ii.) give prior notice of each meeting to each member of the Regional Organization; and iii.) meet a minimum of four(4) times each year. In no event shall the bylaws of any Regional Organization be inconsistent with those of the New Jersey Libertarian Party.

e. Powers of Regional Organizations

An active Regional Organization is authorized and encouraged to engage in any type of activity and hold any types of function that will foster and promote the tenets of the Libertarian Party. Specifically, an active Regional Organization --

(1) shall be authorized to use the name “Libertarian Party” within its geographic region;

(2) may issue and publicize official positions and statements of the Libertarian Party as they relate to issues and concerns within its geographic region; and

(3) may select candidates for public office for political districts which lie entirely within its geographic region. Regional Organizations may jointly select candidates by consent of the adjoining regions when districts encompass more than one region. Disputes between regions will be mediated by a member of the State Board and, if necessary, resolved by vote of the State Board. Candidates whose election districts have all or part of their area within regions lacking active Regional Organizations must be approved at the State Convention.

A statement containing the name of each candidate and corresponding public office sought must be filed with the NJLP Secretary upon the selection being made. Upon confirmation that the candidate meets the selection conditions [sections 11.e(3) and 10.c], the NJLP Secretary shall certify that the candidate is authorized to run under the designation "Libertarian Party."

f. Assignment of Counties to Region

The assignment of counties to regions shall be:

Northern NJLP: Bergen, Essex, Hudson, Morris, Passaic, Sussex, and Warren.

Southern NJLP: Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean, and Salem.

12. Implementation

- a. The State Board shall have the authority to adopt rules to implement these Bylaws and the Certificate of Incorporation. Such rules may be adopted, amended, or abolished by any General Meeting.
- b. Except as otherwise provided in the Bylaws and the Certificate of Incorporation, the current edition of *Robert's Rules of Order* shall govern all NJLP meetings.

13. Quorum

- a. Unless otherwise specified, a majority of the members of any NJLP committee or board constitute a quorum for that committee or board.
- b. A quorum for the State Convention shall be 15 delegates.
- c. A quorum for any other General Meeting shall be 15 NJLP members.
- d. Regional Organizations may set their own quorum requirements.

14. Vote

Unless otherwise specified, the number of votes required (such as two-thirds, majority, *etc.*) to carry a motion is determined by those voting with abstentions not counted.

15. Amendments

- a. These Bylaws may be amended by a two-thirds vote of any General Meeting provided notice of the proposed amendments has been given in the notice for the meeting.
- b. Except for the Statement of Principles, as defined elsewhere, the NJLP Platform may be amended by a two thirds vote at the State Convention. Written notice of the modifications proposed must be given to all members in accordance with notice requirements stated elsewhere in these Bylaws.
- c. The Certificate of Incorporation may be amended by 2/3 vote of the entire membership at any General Meeting.
- d. Written notice of the proposed amendments to these Bylaws, the Statement of Principles, or the NJLP Platform planks shall include the proposed text deletions, insertions, and additions.
- e. Any Business Rule may be suspended, rescinded, or amended by a majority vote of a body that is larger than the body that adopted it. Any Business Rule may be suspended, rescinded, or amended by a two-thirds (2/3) vote of the body that adopted it. No Business Rule may be suspended, rescinded, or amended by a body that is smaller than the

body that adopted it.

- f. All Business Rules in place as of 14 November 2010 shall be regarded as having been adopted at a General Meeting, with the following exceptions:
 - (1) Fiscal Policy provisions have been adopted by the State Board;
 - (2) Regional Organization Dues Sharing provision has been adopted by the State Board.
- g. Amendments of any Business Rule causes that Rule to become adopted by the amending body.

16. Dissolution

The State Board has the authority to propose to dissolve the NJLP, and following such proposal to present to the membership a plan of dissolution in accordance with Title 15A of the laws of the State of New Jersey. Such presentation shall be made at a General Meeting.

17. Ratification

These Bylaws shall take effect immediately upon approval. Additional resolution to allow clerical adjustments:

Resolved, that the NJLP Secretary be authorized to correct article and section designations, punctuation, and cross-references and to make such other technical changes as may be necessary to reflect the intent of the NJLP Convention in connection with any amendments.

Certified by NJLP Secretary Hunter Romach, 6/10/2018.

Convention Rules

1. Definition of Delegate to State Convention

Delegates to the NJLP State Convention shall consist of all NJLP members attending who were members on the first day of the month preceding the month when the Convention is held.

2. Convention Business Protocol

a. Preparation

To expedite the annual NJLP Convention business session, NJLP officers and committee Chairs will present or by the Convention will have transmitted printed materials to all State Convention participants about these items:

Description	Author
Minutes of prior meeting	NJLP Secretary
Treasurer's report & NJLP Annual Budget	NJLP Treasurer
Budget	NJLP Treasurer
Proposed NJLP Bylaws or Platform amendments and other proposals for member action	As Indicated

b. No formal readings

Given the availability of written documents to all members, there will be no formal reading of any of the above items. Members are expected to have read and reviewed their handouts upon receipt and any member's questions will be welcome afterwards. No item of business scheduled for discussion at the Convention will have escaped thorough review and

evaluation by NJLP committees and usually more than one review cycle will have occurred.

c. *Discussion limits*

Because excessive discussion will impede reasonable progress in the meeting, members should confine their comments to items being debated. Each speaker is limited to one minute (60 seconds) to comment on a motion. No speaker will comment again when other members who have not spoken desire the floor. Nonmembers may attend the meeting as members' guests, but they may not participate in discussion. (Members present may by two-thirds [2/3] affirmative vote permit brief informative comment from guests.)

d. *Agenda priorities and timetable*

The Agenda constitutes Standing Orders for the day's business. Any member may "Call for the Orders of the Day" to enforce the Agenda timetable whenever it is not being followed. Upon this action, all outstanding motions must immediately be voted on in pending order, unless the membership by a two-thirds (2/3) affirmative vote decides to continue debate or modify the Agenda.

Times designated on the Agenda are considered "on or before" designation, except for the Call to Order and Adjournment. That is, any item may be acted upon prior to its time if the previous business is completed, but pending business must be completed by vote (previous paragraph) when the next agenda item's time to begin is reached.

e. *Convention Rules Suspension*

An NJLP Convention Rule may only be suspended by a 2/3 vote of the delegates, except Convention Rule 1. which shall not be suspended.

**3. Election Procedure for Filling Identical Positions
(Trustees, Delegates to National Convention, for**

example)

- a. Qualification for election and service: NJLP members only.
- b. On a given ballot, a member shall cast one vote for any number of candidates up to the total number left to be elected. Any ballot containing more candidates than allowed is **invalid** and disqualified. Ranking vote totals for each candidate decides election.
- c. None of the Above (NOTA) means rejection of **all** candidates only. If a ballot contains **NOTA** plus candidate name(s), **NOTA** is ignored.
- d. Ties for lowest position(s) will be decided by another vote on remaining candidates. This step will be repeated until all position(s) are decided.

4. Delegate/Alternate Seating Procedure for National LP Convention

- a. **First Alternates:** Candidates for delegate who were not elected delegates shall lead the list of alternates.
- b. **Additional Alternates:** Shall be selected according to written notices by eligible volunteers received at or before (30 days before national LP deadline) NJLP meeting. Upon reaching national LP limit of 50 total alternates, earliest postmark of candidate's letter will be used to end listings.
- c. At any time when the total NJLP delegates and alternates present on the National Convention floor does not exceed the total NJLP delegate allotment, all alternates so present shall be deemed properly designated to function as delegates.
- d. When the number does exceed the allotment, the total number of alternates sufficient to raise the delegation to its allotment shall automatically be designated in accordance with the "Order of Alternates" (below).
- e. **Order of Alternates:** First Alternates shall be seated in order of rank in votes received in the final NJLP Convention vote for delegates with tie votes resolved by lot. Additional Alternates shall be seated as voted by the

delegates and alternates already then seated.

f. The NJLP Convention gives full authority to the NJLP delegation to decide purely procedural matters at the national LP Convention. However, Convention Rule 3a (above) applies, along with the following requirement: the person must have been an NJLP member for at least one (1) month prior to the first day of the month in which the National LP Convention begins.”

New Jersey Libertarian Party Bylaws and Rules; July 15, 2017

Business Rules

(This section parallels the Bylaws. Not every Bylaws sub-section has a corresponding Rule. The date printed with each rule identifies the original date of adoption.)

1. Name

2. Purpose

The Party will not challenge any candidate's nomination petitions.
(04/10/88)

It is not generally within the purpose of the NJLP to judge the legal activities of its members or officers, provided that such activities do not directly affect the Party. (01/16/94)

Any candidate for public office (except President or Vice President) who identifies himself or herself as a Libertarian on the ballot and/or who receives the endorsement of the NJLP must be a current member of the NJLP. (03/15/08)

The NJLP welcomes candidates of all 3 levels of commitment – Trademark, Impact, and Challenge – defined as follows:

Trademark: on the ballot only with no commitment by the candidate to campaign or spend money.

Impact: Candidate involvement and campaign expected to make a noticeable vote difference in the election (more than the typical third party [$<1\%$] and possibly of the magnitude of the difference between old party votes.)

Challenge: Major election effort expended to defeat at least one of the “major” party rivals. At a minimum, the LP candidate's campaign expects to spend more money, organize more volunteers, or make more appearances than his opponents.

The purposes of each of these three levels of candidacy are:

Trademark: Get the Libertarian Party name on the ballot to bolster party recognition and to assist ballot position where there is a slate of NJLP candidates.

Impact: Procure a “wedge” of votes (goal of 3% or more) to shake up the Demopublican establishment and to develop “our” issues for disenfranchised voters to record their disaffection with the status quo. Also useful to foster individual candidate development, and promote county party activism and develop local contacts and issues.

Challenge: Notable election achievement where “minor” local party bests “major” rival and may even win office. Superior NJLP candidate and campaign organization may lead to greater success in the future. (12/19/98)

Pursuant to New Jersey Election Law, no candidate for state or local office may participate in the management or control of the NJLP State Fund. (07/9/05)

3. Fiscal Policy

NJLP Expense Reimbursement Policy:

The NJLP will reimburse the reasonable and necessary expenses of its members when they undertake activities authorized by the State Board, or a General Meeting. Expenses must be documented.

Minor expenses not exceeding \$100.00 may be authorized by the Chair.

Examples of reasonable and necessary expenses include the following items:

- Photocopying, printing, tolls, postage, parking, phone calls, and faxes.
- Mileage: per IRS rules.

- Meals: up to \$10 per person for lunch and breakfast, \$20 for dinner.

Examples of items not normally reimbursed include (coverage for the following may be granted for some of the items on a case by case basis through prior review and approval):

- Auto fuel: already included in the standard mileage allowance.
- Insurance (auto and personal liability), parking tickets and other violations are the responsibility of the individual.
- Time: “volunteer: is assumed, unless prior agreement is made.
- Car rental.
- Alcoholic beverages.
- Legal expenses.
- Lodging.
- Political campaign expenses: campaign expenses must pay for these, not NJLP General Funds.
- NJLP committee meeting expenses: National LP and NJLP Convention charges, meals, and travel costs are covered by the individual member.

The reimbursement policy should not be interpreted as requiring NJLP volunteers to submit their expenses for reimbursement. (12/12/99)

4. Statement of Principles and Platform

5. Membership

“Opposes” and “Does not believe in or advocate” are equivalent as they relate to the membership certification requirement. (05/23/92)

No language intending to represent the certification for membership shall be used on NJLP membership forms unless it is first approved by

the State Board. (07/03/92)

Prospect list shall be archived every six months and prospects shall receive three months of newsletter mailings. (03/15/08)

A list of archived prospects to be sorted by county is to be distributed to the respective Regional Organization. (08/08/92)

Only Libertarians may receive State Funds disbursements. (04/08/95)

The NJLP will provide a regular one-year NJLP membership to candidates who achieve ballot status. (6/12/05)

6. Meetings and Committees

7. Officers
