## REGIONAL REPORTS

### Delaware Valley

Several libertarians from Phila. area joined a contingent of SIL and YAF members for the annual tax protest which took place at 53 locations across the nation on April 12th.

We demonstrated at the IRS (Phila.) office, spoke to passers-by and handed out leaflets. From the IRS office, we marched through the streets to Independence Hall to continue our leaflet campaign. Our stay there lasted only a few minutes when we were ousted from the premises by the guards. It seems that permits from Big Brother are necessary in order to enter "Federal Property" for protest purposes. Ah, sweet freedom.

Our efforts did not go unnoticed, though, we received film coverage by all three major Phila. TV stations.

The theme of this year's protest was "Uncle Sam, enemy of the American Revolution." In keeping with this, Don Ernsberger, dressed as Uncle Sam,

spent time during the protest harrassing a fellow SIL member, who was dressed in a Revolutionary soldier's costume, with a toy machine gun.

After the demonstration, SIL co-ordinator, Dave Walter, joined our Libertarian radio talk show host, Ken Boehm, for a two hour interview centered around the tax protest and libertarian philosophy, in general. Dave handled caller's questions with expertise making for a very interesting and effective promotional for the Libertarian movement.

Incidentally, Ken Boehm has recently been hired by a Phila. FM radio station, broadening his listening audience by many thousands more than he had at the smaller Chester, Pa. station. He can be heard every Sat. & Sun. evening from 9 pm to 1 am on station WWDB-FM, 96.5 on the dial. Ken is really doing a fantastic job, he has an extremely likable personality, a keen intellect and a way of dealing with people who call in with questions and comments that gets his message across in no uncertain terms, without putting anybody down. He is gathering a following of listeners and I predict that he will become a very influential voice in the cause of individual liberty. Nice going, Ken, we think you're great.
