The Arizona Libertarian Party Newsletter – Q1 2023:

Get out your libertarian bingo cards because it's been a busy first quarter in 2023 checking off all the disasters that libertarians have been warning about for years. Endless and escalating wars, inflation, bank failures, bailouts, increasing debt ceilings, and market disasters. Will anyone ever listen? Yes, because this is the time for us to stop warning people and get involved in implementing libertarian solutions here in Arizona.

Here are some ways you can get involved:

- Contact your [County Libertarian Party](#) about:
 - County Party Meetings
 - Becoming a Precinct Committee Member
 - Running for Office in your Local Government
- [Become a Member of the National Libertarian Party](#)
- [Donate to the AZLP](#)

Here are some things that the AZLP has been working on in Quarter 1:

- 01/28/23 - State Committee Organizing Meeting: The SC elected a new Board of Directors
- 02/18/23 - Libertarian Booth at the 2A Rally in Phoenix
- 03/17/23 - No More Bombs Money Bomb Fundraiser – raising \$5,000 as part of our quarterly goal toward our annual goal
- 03/20/23 - Call to action to pass the 'Defend the Guard' legislation in the AZ Senate
- 03/31/23 - The BOD approved a budget for our 2023 Fiscal Year (April 2023 to March 2024)

Additionally:

- We've staffed new AZLP Teams and Committees with Volunteers
- Started planning for the 2024 AZ State Convention in Tucson

- Began implementation MS Teams for Party Business Operations
- Efforts are underway to redesign our website

Thank you for being part of the anti-war, anti-mandate, anti-bailout, and the only truly pro-freedom party.

In Liberty,
