- The above Board Members will be presenting their report at the next board meeting in full.

June, 2017

As per our Bylaws Article II, Section 1, the duties of the State Chair are as follows: The State Chair shall be the chief executive officer of the Party, holding the powers of administration pertaining to the ordinary business affairs of the Party and such other powers as may be delegated by the Board of Directors. The State Chair may appoint such Party functionaries as a recording and corresponding secretary, an office manager, and an events chair. The State Chair shall compile, maintain and make available to the Board of Directors a publication listing all “Standing rules” and “Special rules” adopted by the Board of Directors. The State Chair shall specify the date and time of the next Convention at least 45 days before it is convened. The State Chair, or his or her designee, including other Board members acting within their designated job duties at the direction of the Chair, shall be the person who shall communicate on behalf of the Party. The State Chair shall file any amendments to the Party’s Constitution or Bylaws with the Secretary of State within fifteen days after such amendments are adopted.

1) Attended El Paso County’s meeting along with Vice Chair and repaired what has been a rough relationship. I believe that we have buy-in for data sharing.
2) Attended Denver’s first Development Group meeting.
3) Attended Delta County’s monthly meeting along with Kim Tavendale and Daniel Lutz and (hopefully) repaired a bad relationship between the board and Delta County group.
4) Met with David Aitken to hash out details on the data sharing.
5) Attended the Cinco de Mayo outreach.
6) Chaired the Douglas County Affiliate.
7) Met with an activist to discuss what might be a great fundraising opportunity for the LPCO.
8) Spoke with the majority of board members about their business plans.

DUTIES AND POWERS

Art II Sec 2 of the By-Laws of the Libertarian Party of Colorado:

“The Vice Chair shall assist the State Chair in the performance of executive duties, act as Chair in the temporary absence of the State Chair, develop and support affiliate parties and district caucuses, ensure affiliate compliance with requirements in the Party Constitution and Bylaws, communicate with Affiliate Representatives on a monthly basis, and facilitate resource sharing and cooperation among the affiliates.”

- Duties Charged by the Chair:
  - 2017 Business Plan
  - Application for Convention Committee
    - I came up with a rough draft and submitted it. Overwhelmingly the board wishes to move the application to a form on a website. I have not yet completed the Convention Committee application form online.
- Develop and Support Affiliate Parties and District Caucuses
  - I am working with our Regions Director to develop and support our local development groups and Affiliates Parties. Please review the Regions Director Report for progress and local updates for Development Groups.
- Ensure Affiliate Compliance with Requirements in the Party Constitution and Bylaws
  - All requirements have been reviewed. A monthly questionnaire will be sent to each Affiliate Representative by the 15th of each month in order to ensure continued compliance.
  - Unless otherwise noted, each Affiliate is compliant with the LPCO’s Constitution and Bylaws.
  - Non-Compliant Counties:
    - Delta Affiliate: Governing documents not published
- Communicate with Affiliate Representatives on a monthly basis
  - Each Affiliate Representative was emailed a questionnaire on May 16 and requested that it be returned to the Vice Chair by June 1.
  - Arapahoe
    - Requests to the LPCO Board: Appreciates Fundraising Directors and everyone’s support of the group/ attendance at meetings.
  - Boulder
    - Did not respond to the Vice Chair’s request for information.
  - Delta
    - Filed their Monthly Report on May 17.
Requests to the LPCO Board: Keep lines of communication open.
  - Douglas
    - Filed their Monthly Report on May 21.
    - Requests to the LPCO Board: Share their events on the state Facebook page.
  - El Paso
    - Did not respond to the Vice Chair’s request for information.

Facilitate resources sharing and cooperation among affiliates
  - Data Dumps – Beginning in June 2017, each Affiliate and Development Group should begin receiving a quarterly “data dump” from the LPCO database to include registered voter data, mailing lists, and prospects, after executing an agreement that any such data will be used for the work of the Affiliate or Development Group in growing the Libertarian Party and not for commercial or other private use. This data will be provided without charge. However, voluntary contributions will be requested towards the LPCO database charges which are significant.
  - Nationbuilder – Any Affiliate Group that wishes to enter into a data-sharing arrangement with the LPCO may host its website and use our database infrastructure, including administrative access at no charge. The website does have to be built using the NationBuilder template tools and will require some knowledge (there are video tutorials available) of these tools, or the template from the state party can be replicated and populated with Affiliate Groups's information. As an example, visit the Libertarian Party of Douglas County Affiliate’s website (http://www.lpdc.org/)
  - Facebook Group – All county contacts and Affiliate Representatives should ensure that they are part of the LPCO Affiliates and DGs (link) secret Facebook group. The purpose of the group is to ensure a place where cooperation and communication may occur as well as strategies to maximize local growth. If your local group is not represented in the Facebook Group please let our Regions Director know so that you may be added.
  - Facebook County Pages (link) – A newsfeed on Facebook including all of the pages for each county in Colorado
  - County Contact Directory (link) – Updated regularly on Google Docs

Art II Sec 13 of the By-Laws of the Libertarian Party of Colorado:

“...Each Officer shall actively participate in a meeting of at least one Party Affiliate or Development Group each calendar year.”

- Since the 2017 Convention, the Vice Chair has attended the following Affiliate Party Meetings
  - May 18, 2017 – Boulder County Meeting
  - May 18, 2017 – El Paso County Meeting
- Since the 2017 Convention, the Vice Chair has attended the following Development Group Meetings
  - April 9, 2017 – Clear Creek County Development Group
  - May 17, 2017 – Larimer County Development Group

    - The Board of Directors has not yet named the At-Large members for this committee and no current meetings have been planned or actions taken.

    - The Chair of the Committee has requested that another committee member take her place as chair.

- Outright Libertarians (National Caucus)
  - The Vice Chair is not currently on any committees for the Outright Libertarians.

MISCELLANEOUS:

- This month caused my family a lot of financial hardship and stress involving a major plumbing repair at my house. As a result, I was slightly removed from my responsibilities on the Board. This project is nearly wrapped up and my activity will increase again by next month.
- I’ve begun a project to compile regular vital stats for the LPCO. Unfortunately, this is still a work in progress but I expect to have a rough version available at our July meeting.
- In the past, I have encouraged LPCO Board members to purchase either Robert’s Rules of Order Newly Revised 11th Edition, or the Brief version of said rules. If a Board Member cannot afford the purchase, I am willing to purchase up to 5 copies of the Brief and will donate them to the LPCO if I am informed of the need.
- I am interested in starting a Libertarian Podcast and would love the LPCO and its membership to help me with this project. I have put out requests for interested parties several times, but have not received any feedback to date. I think there is a tremendous opportunity to see something like this in Colorado.
- I intend to submit my name for the LNC Platform Committee to serve as Colorado’s Representative once applications are available.
- I’ve attended several LNC Conference Calls for training and get great value from them. I recommend them to all Board members and any member of our Party.
- Upcoming Events I Plan to Attend:
  - June 20, 2017 – Denver County Development Group Meeting
  - Regular LNC: Libertarian Party Development Conference Calls

Treasurer, 12 June 2017

As per our Bylaws Article II, Section 9, the duties of the Treasurer are as follows:

The Treasurer shall be responsible for maintaining accurate records of all income and expenses associated with the operation of the Party and shall present a summary of all income and expenses incurred at the regular meeting of the Board. The income and expense summary may be limited to activity since the last regular meeting of the Board. The Treasurer shall also prepare budgets for the other board members or assist them in preparing their own budgets.

As of 17 June 2017, PayPal balance was $754.25.
As of 07 June 2017, BBVA Compass balance was $8,249.85.
As of 07 June 2017, Stripe balance was $0.00.
As of 07 June 2017, Federal Election Activity account balance was $0.00.

Held in reserve:
- Standard reserve $1500.00
- NationBuilder reserve $318.00
- Weld Co DG $15.00
- Clear Creek Co DG $40.00
- Denver Co DG $85.00

As of 07 June 2017, Total accessible (not including reserved funds) balance was $7,046.10.

I have instituted a monthly corralling of one twelfth the annual NationBuilder fee in QuickBooks and in this report so that the sudden expense in April doesn’t catch us unprepared.

Subscription (19 recurring) donations to PayPal, Stripe & Compass Bank for April, $630.52, a gain of $0.00.

Note that the cessation of the NationBuilder subscription program has resulted in a small drop in monthly donations. $45.00 was refunded to LPAC. Weld and Douglas donated their refunds to LPCO.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check
is $100 or more, then I also need the donor’s occupation and employer. Please refer to the postscript in Treasurer’s Report July 2016 for a list of TRACER-accepted occupation names. We can’t accept cash donations over $100. We can’t accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than $20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can’t include more than $100 in cash.

For supporters who wish to make monthly donations but who don’t have or want a PayPal account, I can set up a subscription using Stripe using the donor’s credit card information. We now have two such subscriptions.

John Hjersman

Fundraising Director June 2017 Report

Completed two separate follow ups with individual donors- the first was Steve Adams, a long-time contributor who had recently missed a few payments. Personal telephone call to Stephen revealed he was unaware his payments had not been made and that he would correct the situation. Second follow up was with Tim McGraw. Tim had offered to make a $200 contribution in exchange for 5 shirts that he received at the 2017 State Convention. Phone call verification confirms he did contribute the $200 and will continue to make contributions in the future.

Efforts are ongoing for distributing donor solicitation letters. Letter template has been approved by the chair, a sample of the chair’s signature has been obtained, and efforts are now underway to obtain envelopes and prepaid contribution envelopes.

Social media efforts are continuing, the #PoweredByYou campaign has been overall received positively. The campaign focuses on highlighting the various events the Libertarian Party of Colorado has been able to attend because of donor contributions, showcasing the various outreach booths and events we’ve participated in. I would encourage every board member who has photos from previous outreach events to send them to my email here or to my Facebook account.

OUTREACH DIRECTOR REPORT – JUNE 2017

Article II, Section 5, of the By-Laws of the Libertarian Party of Colorado:
“The Outreach Director shall be responsible for recruiting members, having speakers, conducting recruiting events, organizing and supporting student clubs and organizations at high schools, colleges, and universities and setting up and operating a speakers bureau.”

Activities:

- Received a copy of The Advocates for Self-Government Operation Politically Homeless Mini-Manual for Operating an OPH Booth that I will be distributing to volunteers as a training aid for working our Outreach booths in the future.

- Removed all contents of the Outreach Storage trailer. Sorting and organizing materials for ease and efficiency in locating specific items when needed. Will outfit the trailer with shelving so that items can be stored in an organized fashion. I intend to create and catalog of items available and maintain an ongoing perpetual inventory system to ensure that we will have availability of what we need when we need it. There are some items that we may need to dispose of due to age and usefulness. – Ongoing!

- Attended local meetings/happy hour events for Libertarian Party of Douglas County, Libertarian Party of Arapahoe County and Libertarian Party of Denver County Development Group. Suggested a change of venue and schedule for the LPAC Arapahappy meetings as follows: At our most recent Arapahappy our this past Tuesday, the Libertarian Party of Arapahoe County made a couple of decisions. One, we decided to change our meetup schedule from the first and third Tuesday of each month to one meetup on the second Tuesday of each month. We also decided to change our venue from the noisy sportsbar to a more subdued and quiet venue - The Summit Steakhouse, in Aurora where we can have a semi-private room more conducive to active group discussion or speaker presentation. As our previously schedule third Tuesday meeting conflicts with
the Denver meeting on the 20th, we have decided to cancel our meeting and recommend that our people join the Denver meeting at Stoney's Bar and Grill.

- Worked to build a schedule of volunteers to adequately staff our booths at People’s Fair and PrideFest.

Scheduled Events:

- People’s Fair Art and Music Festival – June 3 10:00 am to 8:00 pm. June 4 10:00 am to 7:00 pm, Denver Civic Center Park, Booth Space N06, N07 – Well attended event, perfect weather. Non-profit groups were clustered off the beaten path on an interior sidewalk and not intermingled on the perimeter roadways with the selling and arts/crafts booths which somewhat diminished our traffic. We collected contact info from 57 people through our administration of the WSPQ and collected $77 in donations in the fishbowl which was turned over to the LPCO treasurer.

- Denver PrideFest 2017 – June 17 11:00 am to 7:00 pm, June 18 10:00 am to 6:00 pm, Denver Civic Center Park, Booth Space #K11. Received some additional materials courtesy of Richard Longstreth specific to the LGBT agenda – The Outright Libertarians take on The Advocates World’s Smallest Political Quiz entitled World’s Gayest Political Quiz and an eight page booklet entitled GAY RIGHTS: A LIBERTARIAN APPROACH by Ralph Raico. Will have sufficient copies of both printed off for use in the booth. Caryn Ann Harlos committed to deliver a supply of Rainbow buttons for distribution in the booth.

Future Events/Requests:

- Greeley Stampede, Greeley, CO – Friday June 23 through Tuesday Jul 4. Weld County – Marie Cochran

- Carbon Valley Music & Spirits Festival, Dacono, CO, Saturday August 5. Marie Cochran

- Beef and Bean Day, Milliken, CO – Saturday August 12. Marie Cochran

- Taste of Colorado, Denver Civic Center Park, Denver, CO – Friday September 1 to Monday September 4.

- Sugar Beet Days Arts & Crafts Festival, Logan County Courthouse lawn, Sterling, CO – Saturday September 16, Sunday September 17. Suggest supporting local affiliate.

Membership Director Report May 2017

Per our Bylaws Article II, Section 11, the duties of the Membership Director are as follows: The Membership Director shall be responsible for developing membership education programs and publications, recruiting and training activists from the membership, and overseeing leadership training and succession planning at all levels within the Party, categorizing and contacting current individual members (registered Libertarian voters) to ask/persuade the members to support the LPCO financially or actively and for monthly reporting the same to the Board and affiliates.

This month, I hope to set up a process for contacting online inquiries, and new outreach and affiliate contacts with a welcome packet.

The search for a newsletter editor continues, but I will also need further direction from the Board on the objectives of an internal newsletter. A sample newsletter would be extremely helpful.

Respectfully Submitted,

Steven Gallant
COMMUNICATIONS DIRECTOR REPORT JUNE 2017

As per our Bylaws Article II, Section 6, the duties of the Communications Director are as follows:

Section 6: The Communications Director shall be responsible for all communications, web sites, multimedia, social media, press releases, media appearances, and media inquiries.

Social Media:

The three regular Facebook schedulers (Jeff, Hannah, and Victoria), one Twitter scheduler (Robert Bentley) are doing fantastic with little supervision. All Board members are encouraged to join the LPCO Social Media team Facebook group to suggest and vet content. Board members have been keeping to their schedule, and this has helped diversify content.

7:00pm Tues and Thurs: Kevin Gulbranson
7:00pm Sat Wayne Harlos
7:00pm Friday and Sun Daniel Lutz
7:00pm Mon Michael Stapleton and Kim Tavendale
7:00pm Wed Eric Mulder and 9:00 pm Steve Gallant

The weekly Spanish post has been going as planned and Beatriz Sutton has started a #TBT post with historical information.

Ads: Cinco de Mayo cost $1.14 per result (22 event responses) which is not a good return, but the event was a success. The Denver meetup group ad did much better with a $.28 (41 event responses) rate.

Twitter leader Robert Bentley submitted the following: The LPCO Twitter account is still running strong. We are on the verge of breaking 1,500 followers with new ones everyday and new retweets on our content. The account is still posting on the same schedule with 5 posts every day.

These have been our most popular posts:
Website:

This has been updated with available pics and bios. **We are missing bio for Kim Tavendale, and pic and bio for Clayton.** Victoria is translating our Platform into Spanish for the website--this is a long-term project. When our historical documents have been moved to LPedia, the archive section will point there.

Media/Events/Press Release:

I have regularly submitted updates to LP News and sent out a Press Release on Civil Asset forfeiture as well as several general member email blasts. The historical project was featured in Colorado Independent.

Policy Manual and Style Guide:

I have asked several Board members (Kim and Eric) to assist me on the Style Guide which will soon be beginning after the policy manual gets further underway. The policy manual is still in its very beginning as we have had one meeting so far.

Platform Committee Appointment:

I need to develop the questionnaire.

FURTHER INVOLVEMENT:

My involvement with the Party goes beyond my prescribed Board duties.

National Membership Updates:

We continue to occupy the 10th but had a net loss of 50 members! We need to have a program of contacting and maintaining national members.

Radical Caucus:

I am on the Board of Directors of the Libertarian Party Radical Caucus as the Colorado State Coordinator and am serving on their Platform Committee, Branding Committee, and Convention Committee.

Volunteer Recruitment:
I have been actively soliciting and developing LPCO volunteers.

**Committees:**

I have been appointed to the National Bylaws and Platform Committees and serve also on the National Advertising and Publication Review Committee. I also now Chair the Historical Preservation Committee. I am an automatic member of the LPCO Style Committee as I was former Chair of the past Platform Committee.

**Historical Preservation/LPedia**

Beatriz Sutton is heading up the Colorado portion which has had fantastic progress. The National records were delivered a few weekends ago and thus starts a multi-year project that will have many opportunities for Colorado volunteers.

**LNC/National:**

Please see my LNC Regional report submitted separately. In addition I will be attending and speaking at the Oregon convention.

**Independent Political Report:**

I am editor and report on Party news and issues.

CONVENTION ATTENDANCE

Part of my commitment as your representative was to attend regional conventions as scheduling would allow with a goal to visit each state at least once during my term. To that end, this year, I attended and was honoured to be a guest speaker at these Region 1 Conventions: Alaska, Arizona, Colorado, Montana, and Washington. I will likely be traveling to Wyoming in the next few months. Unfortunately the Kansas, Utah, and Washington conventions were all on the same weekend, so I do hope to make Kansas and Utah next year, and to remotely attend any Hawaii convention once it is set (or travel there!).

Outside of Region 1, I was the invited guest for the New Mexico convention and will be traveling to Oregon to speak next weekend.
HISTORICAL PRESERVATION COMMITTEE

This project is going strong and progressing rapidly. We have now raised about $8,500 of the $10,00 budget. Preserving our history is vitally important. Here is a downloadable form you can use to contribute or you may do so at this link. You can read my last report as Chair of this Committee here. We also received some coverage in the Colorado Independent which you can read here.

You may follow (read-only) the Committee discussions as follows:

Send a message to:
lphpc-request@lists.dehnbase.net
with “subscribe” in the subject line.

The archive/encyclopedia portion of this project, LPedia.org, is up and ready for your membership and participation.

The National Page also has an events page now listed to make it easier to find conventions and notices of committees meetings you may wish to attend to keep informed.

I think this is enough for now:) As always you can always write me at caryn.ann.harlos@LP.org or call me at 561.523.2250 with any questions.

LPedia is up and ready! Please come and add your bits and pieces of Libertarian history to this crowdsourced resource. Nearly anything and everything LP-related is notable and should be included. We also encourage State Parties to use this resource to store their histories, all the way down to meeting minutes, press releases, and other publications. Come and register today!
The National Party has produced a great resource list at LPAction.org. You can find all kinds of resources including training manuals, graphics files, and contact list. Check it out!

I love to be kept informed about significant happenings in our Region so please feel free to reach out any time with important news and happenings. That information also helps me to keep my reports up to date and thorough. You can always email me at Caryn.Ann.Harlos@LP.org or call me at 561.523.2250.
