Dear Ms. Tewksbury,

Thank you for your email. I have requested access to your appeal document, as I don't seem to have that currently. If you could please make this accessible to all members of the Judicial Committee that would be much appreciated.

Dear Ms. Tewksbury.

Thank you for changing the permissions. I have verified that I have access to the document, so please let this be notice that the appeal has been received.

Per the relevant sections of the bylaws, highlighted below, if two members of the Judicial Committee agree to hear this appeal a hearing will be held within 30 days of the date the appeal was received (Thursday, November 28, 2024) and will give at least 10 days' notice unless all parties agree otherwise.

Bylaw 15: Judicial Committee

Section 3

The Judicial Committee review of a Party action or inaction shall be limited to the consistency of that action or inaction in accordance with the governing documents of the Party, including these Bylaws and documents to which they refer, with the only exceptions being Judicial Committee duties mandated by these Bylaws, and arbitration of Party contracts that explicitly call for arbitration by the Judicial Committee.

At least two Judicial Committee members shall agree to hold a hearing or to consider an appeal. The Judicial Committee may choose to hold hearings in person, by teleconference, or by videoconference.

Section 5

The Judicial Committee shall provide at least ten days' notice to each of the parties to a hearing, unless an earlier date is agreed to by the Judicial Committee and the participants.

Section 6

The Judicial Committee shall hold a hearing within thirty days of receiving a request, unless otherwise specified.
