Chairman's Report

As per our Bylaws Article II, Section 1, the duties of the Chairman are as follows:

The Chair shall be the Chief Executive Officer of the Party, holding the powers of administration pertaining to the ordinary business affairs of the Party and such other powers as may be delegated by the Board of Directors, as well as overseeing leadership training and succession planning at all levels within the Party. Unless otherwise specified in the Party's Bylaws, Special Rules of Order, or resolutions of the Board, the Chair is responsible for appointing the chairs of all committees. The Chair shall call the Convention as specified in the Party Constitution. The Chair, or their designee, including other Board members acting within their designated job duties at the direction of the Chair, shall be the person who shall communicate on behalf of the Party.

Nothing to report

I would like to reiterate that a certain level of decorum is expected at all of our events and respect for each other is paramount. Should anyone interrupt the board, or use profanity during a meeting, they will be given one warning. If such behavior continues, they will be escorted out of the meeting or muted on the call. Republicans and Democrats want us to fight amongst ourselves, if we are doing what they want they won't be held accountable.

Let us leave any personal differences aside and work together towards liberty. This is the way that we can make the duopoly accountable to the people.

Now is the time to get involved and volunteer in outreach events, in legislative issues and start running for office for 2022 or local and municipal offices for 2021. It is imperative that we stand up for our principles and not allow Colorado to become a place where tyranny reigns and the government runs rampant. Let's not allow that to happen!

Victoria Reynolds

Available funds have decreased \$629.85 since last month.

Any anticipated large future expenses (> \$1,000 annually), whether one-time or instalment, I propose to budget in the same manner as with the annual convention, where I reserve funds

monthly into a specific sub-account. For reminder for me and continuity for subsequent treasurers, the standard reserve of \$1,500 has been placed in a sub-account.

Subscription donations (21 recurring) to PayPal, Stripe & BBVA Bank for January, \$405.60, a loss of \$129.85 from last month.

January one-time (2 contributors) donations, \$110.00.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is \$100 or more, then I also need the donor's occupation and employer. Please refer to the postscript in Treasurer's Report July 2016 for a list of TRACER-accepted occupation names. We can't accept cash donations over \$100. We can't accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than \$20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can't include more than \$100 in cash.

FEC Filing: Report filed 01/26/2021. Next report due 07/30/2021. Because our subscription to LNC's Affiliate CRM Plan is paid to a national party, those contributions are FEC reportable. Transfers to and from regular checking into federal activity account are also FEC reportable.

Filed TRACER report 12/01/2020. Next report due 04/15/2021.

Participated on C&B Committee via Zoom.

John Hjersman***

Fundraising report:

The fundraising letter is currently in the editing stage and should be out to our members next week.

The convention is expected to break even without the use of any funds raised at the convention. We need to sell about 70 to 80 tickets to ensure a breakeven.

Affiliates Director Report February 2021

On January 16, the Mesa County Development Group became the Mesa County Affiliate.

I attended (virtually) the Boulder County LP meeting on January 16.

Jay Stooksberry is talking to some prospective Delta County LP leaders.

I am watching alternative social media platforms in order to replace the biased and censored current platforms.
