MELVIN HIRSHOWITZ

ATTORNEY AT LAW

September 15th, 1972

Mr. Jerome Klasman
Chairperson, Free
Libertarian Party, Inc.

Dear Jerry:

My time situation has changed greatly since last spring when I was first elected Vice Chairperson of the party.

In view of my present situation, I must resign as Vice Chairperson, effective immediately.

I of course remain enthusiastically committed to the Libertarian Party.

From time to time I will be available to give legal advice to the party.

Very truly yours,

Melvin Hirshowitz
