The Libertarian Party of Colorado is allocated 35 delegates to send to the National Convention in Reno at end of May 2022. The LPCO request that an application be filled out if you wish to be considered, but an application IS NOT required. The purpose is to allow people to be aware of who is seeking nomination. The application with your name and answers will be posted to our website, but your address, phone number, and email address will be redacted. If members write to the Board with questions for potential delegates, you may receive an email from the Board with the questions who will act as a go-between so that your email is never released.

Please be aware that our rules speak to the duties of a delegate as follows:

58:18 Duties of Delegates

When a member of a constituent unit has accepted election as a delegate, he has the obligation to attend the convention, with such expense allowance as the unit may provide; he should not leave it to an alternate to serve in his place except for serious reason. At the convention, the delegate has the duty to be present at the business meetings, and to be prepared on returning from the convention to present to his unit an information report on what transpired. A delegate is free to vote as he sees fit on questions at the convention, except as his constituent unit may have instructed him in regard to particular matters scheduled for consideration.

Will you represent the best interests of Colorado over personal self-interests? Please qualify your statement however you feel yes

Please be aware that our Bylaws do require disclosure of your vote on all important votes upon request. The reason is that a delegate "represents" others who have a right to know how their representatives conducted themselves. It is rare that this request is made, but it can be, so we wanted you to be aware of that.

Can you arrange for time off during the time of the convention and afford the travel? yes

Will you do your best to attend all business sessions and be well-informed about issues that can be anticipated? yes

Thank you very much for your interest. Delegates are selected at the State Convention which is scheduled for March 12, 2022. While it is not necessary for you to be personally present to be elected, it can be very helpful if there is stiff competition for the seats which is impossible to predict ahead of time. The past two delegate selections for national conventions have been competitive. If you are not selected as a delegate, there is a very good chance you can be selected as an alternate.

When a member of a constituent unit has accepted election as a delegate, he has the obligation to attend the convention, with such expense allowance as the unit may provide; he should not leave it to an alternate to serve in his place except for serious reason. At the convention, the delegate has the duty to be present at the business meetings, and to be prepared on returning from the convention to present to his unit an information report on what transpired. A delegate is free to vote as he sees fit on questions at the convention, except as his constituent unit may have instructed him in regard to particular matters scheduled for consideration.

Name

Jonathan Burroughs

Are you a national Party member? (it is not required but we appreciate it as we earn delegates based on that number, if you are not one, please consider joining at lp.org/join) YES

Have you been continuously registered as a Colorado Libertarian since 12/12/21? YES

Will you represent the best interests of Colorado over personal self-interests? Please qualify your statement however you feel YES

Please be aware that our Bylaws do require disclosure of your vote on all important votes upon request. The reason is that a delegate "represents" others who have a right to know how their representatives conducted themselves. It is rare that this request is made, but it can be, so we wanted you to be aware of that.

Can you arrange for time off during the time of the convention and afford the travel? YES

Will you do your best to attend all business sessions and be well-informed about issues that can be anticipated? YES

Is there anything else we should know about your interest in being a delegate? I have some experience being a delegate. I was a delegate to the LP national convention in 2000 for Arizona and also an alternate delegate from Texas to the RNC in 2012, specifically to support Ron Paul. Presently, I am Legislative Director for Libertarian Party of Colorado.

Thank you very much for your interest. Delegates are selected at the State Convention which is scheduled for March 12, 2022. While it is not necessary for you to be personally present to be elected, it can be very helpful if there is stiff competition for the seats which is impossible to predict ahead of time. The past two delegate selections for national conventions have been competitive. If you are not selected as a delegate, there is a very good chance you can be selected as an alternate.

Have you been continuously registered as a Colorado Libertarian since 12/12/21? Yes

Will you represent the best interests of Colorado over personal self-interests? Please qualify your statement however you feel

Of course - I want to be a delegate. My job will be to act as a representative

Please be aware that our Bylaws do require disclosure of your vote on all important votes upon request. The reason is that a delegate "represents" others who have a right to know how their representatives conducted themselves. It is rare that this request is made, but it can be, so we wanted you to be aware of that.

Can you arrange for time off during the time of the convention and afford the travel? yes

Will you do your best to attend all business sessions and be well-informed about issues that can be anticipated? yes

Thank you very much for your interest. Delegates are selected at the State Convention which is scheduled for March 12, 2022. While it is not necessary for you to be personally present to be elected, it can be very helpful if there is stiff competition for the seats which is impossible to predict ahead of time. The past two delegate selections for national conventions have been competitive. If you are not selected as a delegate, there is a very good chance you can be selected as an alternate.

If you have any questions, please contact the State Secretary Caryn Ann Harlos at secretary@lpcolorado.org or 561.523.2250

Application for Nomination as National Convention Delegate

The Libertarian Party of Colorado is allocated 35 delegates to send to the National Convention in Reno at end of May 2022. The LPCO request that an application be filled out if you wish to be considered, but an application IS NOT required. The purpose is to allow people to be aware of who is seeking nomination. The application with your name and answers will be posted to our website, but your address, phone number, and email address will be redacted. If members write to the Board with questions for potential delegates, you may receive an email from the Board with the questions who will act as a go-between so that your email is never released.

Please be aware that our rules speak to the duties of a delegate as follows:

58:18 Duties of Delegates

When a member of a constituent unit has accepted election as a delegate, he has the obligation to attend the convention, with such expense allowance as the unit may provide; he should not leave it to an alternate to serve in his place except for serious reason. At the convention, the delegate has the duty to be present at the business meetings, and to be prepared on returning from the convention to present to his unit an information report on what transpired. A delegate is free to vote as he sees fit on questions at the convention, except as his constituent unit may have instructed him in regard to particular matters scheduled for consideration.

Moreover, I would consider it a great honor to be a part of charting the course for the future of the national party in order to spread the message of voluntary cooperation, self-ownership, and the non-aggression principle. I would love nothing more than to represent the great state of Colorado at the National Convention.

Please be aware that our rules speak to the duties of a delegate as follows:

58:18 Duties of Delegates

When a member of a constituent unit has accepted election as a delegate, he has the obligation to attend the convention, with such expense allowance as the unit may provide; he should not leave it to an alternate to serve in his place except for serious reason. At the convention, the delegate has the duty to be present at the business meetings, and to be prepared on returning from the convention to present to his unit an information report on what transpired. A delegate is free to vote as he sees fit on questions at the convention, except as his constituent unit may have instructed him in regard to particular matters scheduled for consideration.

Are you a national Party member? (it is not required but we appreciate it as we earn delegates based on that number, if you are not one, please consider joining at lp.org/join) Yes

Have you been continuously registered as a Colorado Libertarian since 12/12/21? Yes

Will you represent the best interests of Colorado over personal self-interests? Please qualify your statement however you feel Absolutely yes I will represent Colorado's interests.

Please be aware that our Bylaws do require disclosure of your vote on all important votes upon request. The reason is that a delegate "represents" others who have a right to know how their representatives conducted themselves. It is rare that this request is made, but it can be, so we wanted you to be aware of that.

Can you arrange for time off during the time of the convention and afford the travel? Yes

Will you do your best to attend all business sessions and be well-informed about issues that can be anticipated? Yes

Is there anything else we should know about your interest in being a delegate? I want to do my part to make sure Colorado is fairly and vigorously represented at the national convention.

Thank you very much for your interest. Delegates are selected at the State Convention which is scheduled for March 12, 2022. While it is not necessary for you to be personally present to be elected, it can be very helpful if there is stiff competition for the seats which is impossible to predict ahead of time. The past two delegate selections for national conventions have been competitive. If you are not selected as a delegate, there is a very good chance you can be selected as an alternate.

If you have any questions, please contact the State Secretary Caryn Ann Harlos at secretary@lpcolorado.org or 561.523.2250
