Vice Chair Report, May 2017

DUTIES AND POWERS

Art II Sec 2 of the By-Laws of the Libertarian Party of Colorado:

"The Vice Chair shall assist the State Chair in the performance of executive duties, act as Chair in the temporary absence of the State Chair, develop and support affiliate parties and district caucuses, ensure affiliate compliance with requirements in the Party Constitution and Bylaws, communicate with Affiliate Representatives on a monthly basis, and facilitate resource sharing and cooperation among the affiliates."

- Duties Charged by the Chair:
  - 2017 Business Plan
  - Application for Convention Committee
    - I came up with a rough draft and submitted a paper application on May 12 via email for board approval. Overwhelmingly the board wishes to move the application to a form on a website.
    - I am unsure which platform or medium we will be using for the applications or when the Board wants to get this application out there.

- Develop and Support Affiliate Parties and District Caucuses
  - I am working with our Regions Director to develop and support our local development groups and Affiliates Parties. Please review the Regions Director Report for progress and local updates for Development Groups.

- Ensure Affiliate Compliance with Requirements in the Party Constitution and Bylaws
  - I have been instructed by the State Chair to only seek updates from the Affiliate Groups quarterly. It is our intention to have the By-Laws changed at next convention. I will reach out to each group again in August and will update the membership in my September Board Report.
    - All requirements have been reviewed. A quarterly questionnaire will be sent to each Affiliate Representative by the 15th of the last month in the quarter in order to ensure continued compliance.
    - Unless otherwise noted below, each Affiliate is compliant with the LPCO’s Constitution and Bylaws to the knowledge of the Vice Chair.

- Communicate with Affiliate Representatives on a monthly basis
  - See above regarding the Chair’s instruction.

- Facilitate resources sharing and cooperation among affiliates
  - Data Dumps – Beginning in June 2017, each Affiliate and Development Group should have begun receiving a quarterly “data dump” from the LPCO database to include registered voter data, mailing lists, and prospects, after executing an agreement that any such data will be used for the work of the Affiliate or
Development Group in growing the Libertarian Party and not for commercial or other private use. This data is provided without charge. However, voluntary contributions are requested towards the LPCO database charges which are significant.

- Nationbuilder – Any Affiliate Group that wishes to enter into a data-sharing arrangement with the LPCO may host its website and use our database infrastructure, including administrative access at no charge. The website does have to be built using the NationBuilder template tools and will require some knowledge (there are video tutorials available) of these tools, or the template from the state party can be replicated and populated with Affiliate Groups's information. As an example, visit the Libertarian Party of Douglas County Affiliate’s website (http://www.lpdc.org/)
- Facebook Group – All county contacts and Affiliate Representatives should ensure that they are part of the LPCO Affiliates and DGs (link) secret Facebook group. The purpose of the group is to ensure a place where cooperation and communication may occur as well as strategies to maximize local growth. If your local group is not represented in the Facebook Group please let our Regions Director know so that you may be added.
- Facebook County Pages (link) – A newsfeed on Facebook including all of the pages for each county in Colorado
- County Contact Directory (link) – Updated regularly on Google Docs

Art II Sec 13 of the By-Laws of the Libertarian Party of Colorado:

“...Each Officer shall actively participate in a meeting of at least one Party Affiliate or Development Group each calendar year.”

- Since the 2017 Convention, the Vice Chair has attended the following Affiliate Party Meetings
  - May 18, 2017 – Boulder County Meeting
  - May 18, 2017 – El Paso County Meeting
- Since the 2017 Convention, the Vice Chair has attended the following Development Group Meetings
  - April 9, 2017 – Clear Creek County Development Group
  - May 17, 2017 – Larimer County Development Group
  - July 12, 2017 – Mesa County Development Group

MISCELLANEOUS:

- Earlier this summer my family a suffered lot of financial hardship and stress involving a major plumbing repair at my house. This project is finally wrapped up, but has left me unable to continue financial support to the Libertarian Party of Colorado and national caucuses. I am also having my time divided due to the need to work a second job. The best way to reach out to me is by emailing ViceChair@LPColorado.org. If I cannot assist, I will forward your message to someone who can.
- My vital stats project has been put on hold until more metrics can be identified and time permits building the database.
- I am interested in starting a Libertarian Podcast and would love the LPCO and its membership to help me with this project. I have put out requests for interested parties several times, but have not received any feedback to date. I think there is a tremendous opportunity to see something like this in Colorado.
In July I spoke with someone who suggested recording several rough episodes to find the rhythm of the podcast. I am seeking donations of equipment which may assist, including USB mics, for examples.

- I intend to submit my name for the LNC Platform Committee to serve as Colorado’s Representative once applications are available.
- I’ve attended several LNC Conference Calls for training and get great value from them. I recommend them to all Board members and any member of our Party.
- Upcoming Events I Plan to Attend:
  - August 15, 2017 – Denver County Development Group Meeting
  - August 20, 2017 – Weld County Development Group Meeting
  - Regular LNC: Libertarian Party Development Conference Calls

Treasurer, 14 August 2017

As per our Bylaws Article II, Section 9, the duties of the Treasurer are as follows:

The Treasurer shall be responsible for maintaining accurate records of all income and expenses associated with the operation of the Party and shall present a summary of all income and expenses incurred at the regular meeting of the Board. The income and expense summary may be limited to activity since the last regular meeting of the Board. The Treasurer shall also prepare budgets for the other board members or assist them in preparing their own budgets.

As of 08 August 2017, PayPal balance was $946.83.
As of 08 August 2017, BBVA Compass balance was $8,667.63.
As of 08 August 2017, Stripe balance was $0.00.
As of 08 August 2017, Federal Election Activity account balance was $1.00.

Held in reserve:
- Standard reserve $1,500.00
- NationBuilder reserve $954.00
- Weld Co DG $15.00
- Clear Creek Co DG $40.00
- Denver Co DG $209.00
- Larimer Co DG $15.00

As of 08 August 2017, Total accessible (not including reserved funds) balance was $6,882.46.

Monthly since 24 May 2017 I have started corralling one twelfth the annual NationBuilder fee in QuickBooks and in this report so that the sudden expense in April doesn’t catch us unprepared. Based on the NationBuilder annual fee that I anticipate, the monthly cut is $318.33, rounded to $318.00. Our accessible balance has not decreased since last month.

Subscription (17 recurring) donations to PayPal, Stripe & Compass Bank for July, $620.52, a gain of $30.00.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is $100 or more, then I also need the donor’s occupation and employer. Please refer to the
postscript in Treasurer’s Report July 2016 for a list of TRACER-accepted occupation names.
We can’t accept cash donations over $100. We can’t accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than $20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can’t include more than $100 in cash.

For supporters who wish to make monthly donations but who don’t have or want a PayPal account, I can set up a subscription using Stripe using the donor’s credit card information. We now have two such subscriptions.

OUTREACH DIRECTOR REPORT – AUGUST 2017

Article II, Section 5, of the By-Laws of the Libertarian Party of Colorado:
“The Outreach Director shall be responsible for recruiting members, having speakers, conducting recruiting events, organizing and supporting student clubs and organizations at high schools, colleges, and universities and setting up and operating a speakers bureau.”

We’ve proven this month that we can support multiple events on the same weekend – even the same day – in different parts of the state. Now if I could just manage to turn in my monthly reports to the LPCO Board on time and consistently keep up with scheduled postings on Meetup, Nation Builder-LPCO Website, LPCO facebook pages, etc…

Activities:

- 1st event – Douglas County Fair – Castle Rock, CO, Friday, August 4 through Sunday August 6 in conjunction with the Libertarian Party of Douglas County. It was quite a challenge to get volunteer staff coverage for a three day event but the Douglas County Libertarians came through and managed to get us through the entire weekend. I set up the booth Friday morning and stayed to work the booth the first couple hours of the event Friday afternoon. It was nice to work an event indoors in climate controlled comfort. Traffic was light at first but picked up gradually throughout the weekend. We gather about 50 contacts and added about $60 to the LPCO treasury through t-shirt donations. Douglas county kept any additional donations through the weekend. I cam back Sunday afternoon to work the last couple hours of the event and then tear down and pack up the booth.

- 2nd event – Carbon Valley Music & Spirits Festival – Dacono, CO, Saturday, August 5 in conjunction with the Libertarian Party of Weld County Development Group. Special thanks to Matthew DiGi and Bruce Griffith for helping to staff the booth. We had excellent position just to the right of the main stage with great visibility of our Libertarian banners from everywhere in the venue. That was the good news – the bad news was that we were pretty close to the speaker array making meaningful conversation a challenge, but had quite a few good
conversations as we walked through the food and spirits areas wearing our Libertarian t-shirts and political buttons. BTW-Taxation is Theft! The booth cost was $30 which was borne by two anonymous contributors and within the first hour we had already taken in more that $40 in cash donations. It was a beautiful day with some great music until the downpour hit around 7:30 cancelling the remainder of the event including the headline act, Cracker, and the scheduled fireworks display. Taking down the booth in the pouring rain was challenging enough but someone with the event forgot to turn off the irrigation system and along with the rain we were showered from sprinkler heads on both sides of the tent about 5 minutes in to the down pour. The contents of the booth are all in my garage with fans running trying to dry out so we are ready to do this again.

- Outreach Storage trailer - Sorting and organizing materials for ease and efficiency in locating specific items when needed. Will outfit the trailer with shelving so that items can be stored in an organized fashion. I intend to create and catalog of items available and maintain an ongoing perpetual inventory system to ensure that we will have availability of what we need when we need it. There are some items that we may need to dispose of due to age and usefulness. – Ongoing!

- Looking for recommendations of events that we can partner with throughout the state.

Future Events/Requests:

- Taste of Colorado, Denver Civic Center Park, Denver, CO – Friday September 1 to Monday September 4.

- Broomfield Days, Midway Park, Broomfield, CO – Saturday September 16. Approx cost $75. Have agreed to support the local affiliate if they can come up with enough committed volunteers to staff the booth.

- Sugar Beet Days Arts & Crafts Festival, Logan County Courthouse lawn, Sterling, CO – Saturday September 16, Sunday September 17. Have agreed to support the local affiliate if they can come up with enough committed volunteers to staff the booth.

Membership Director Report August 2017

Per our Bylaws Article II, Section 11, the duties of the Membership Director are as follows: The Membership Director shall be responsible for developing membership education programs and publications, recruiting and training activists from the membership, and overseeing leadership training and succession planning at all levels within the Party, categorizing and contacting current individual members (registered Libertarian voters) to ask/persuade the members to support the LPCO financially or actively and for monthly reporting the same to the Board and affiliates.

I'm seeking articles and photos for the autumn newsletter. Board members feel free to provide articles, notices, updates, and/or volunteer and campaign opportunities. We might also want to ask for articles and photos on Facebook.

I have the fundraising welcome letter for the new member and inquiry contacts, but I need one more letter.

Respectfully Submitted,

COMMUNICATIONS DIRECTOR REPORT AUGUST 2017

As per our Bylaws Article II, Section 6, the duties of the Communications Director are as follows:

Section 6: The Communications Director shall be responsible for all communications, web sites, multimedia, social media, press releases, media appearances, and media inquiries.

Social Media:

The three regular Facebook schedulers (Jeff, Hannah, and Victoria), one Twitter scheduler (Robert Bentley), and one Instagram scheduler (Robert Bentley) are doing fantastic with little supervision as has been the case since they were brought on board. The Board schedule needs to be kept to, and I ask each Board member to do so pursuant to below:

7:00pm Tues and Thurs: Kevin Gulbranson
7:00pm Sat Wayne Harlos
7:00pm Friday and Sun Daniel Lutz
7:00pm Mon Michael Stapleton and Kim Tavendale
7:00pm Wed Eric Mulder and 9:00 pm Steve Gallant

There is also a weekly Spanish post by Victoria Reynolds and Beatriz Sutton is doing a weekly #TBT post.

Twitter/Instagram leader Robert Bentley submitted the following: The LPCO Twitter Account is now approaching 1,600 followers and posts on the same schedule that it has been for the past year. The goal is to keep growing the number of followers with engaging posts and memes that will attract people to liberty. The LPCO Instagram account is now at 232 followers as of today. The growth of this account is drawing more people in everyday and should brand the LPCO in a positive way.

Policy Manual and Style Guide:

Several meetings have taken place and the Policy Manual started.

Style Committee:

Myself and Richard Longstreth are automatic members. As per our last meeting I asked Jay Stooksberry and Mike Seebeck who accepted - these appointments need to be ratified this meeting. We need to appoint one more member.

National Platform Committee Appointment:

We will be soliciting applications. I suggest polling immediately after the State Platform Committee appointments.

FURTHER INVOLVEMENT:

My involvement with the Party goes beyond my prescribed Board duties.

National Membership Updates:

We are ahead of Washington by one. We need to more aggressively follow-up on lapsed member. I provided the data dump to Daniel Lutz.

Radical Caucus:

I resigned from the Board of Directors of the Libertarian Party Radical Caucus as the Colorado State Coordinator due to a potential conflict of interest with the National Party seeking legal advice on caucuses uses the words “Libertarian Party” in their name. I remain involved in a non-board capacity and will assist the new coordinator.

I am also assisting in the formation of the Libertarian Unity Caucus.
Volunteer Recruitment:

I have not brought on new volunteers this month for LPCO but have been working with volunteers on the Libertarian Party Historical Preservation Committee.

Committees:

I have been appointed to the National Bylaws and Platform Committees and serve also on the National Advertising and Publication Review Committee. I also now Chair the Historical Preservation Committee. I am an automatic member of the LPCO Style Committee as I was former Chair of the past Platform Committee.

I have applied for the state Platform and Bylaws and Constitution committees.

Please see my LNC Regional report which will be completed shortly. The timing of the LNC meeting delayed this report. I also assist in making lapsed member calls in the region.
