To: Members of the State Committee
Subject: State Platform.

Since I was the one to introduce the motion at the State Convention to prepare a platform for consideration at next year's convention, I have (with Gary's OK) taken upon myself the task of organizing a committee to draft a platform.

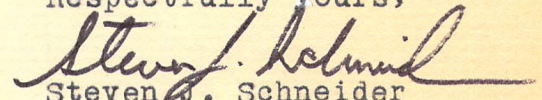

Three things I ask of you:

1. Are you, or do you know of anyone in your county, who interested in being on a platform committee.
2. Are there any issues peculiar to your area that you wish addressed by the platform.
3. Are there any general state issues that you wish to see addressed by the platform.

Call or write to me, or bring your ideas to the next state committee meeting (Albany Picnic). Bring the subject of a platform up for discussion at your next county meeting.

The sooner we have a first draft, the more time we have to refine it and submit it to the membership before next year's convention.

Respectfully yours,
