

2020 REGIONAL AGREEMENT FOR REGION ONE

The state affiliates of the Libertarian Party listed below, through their state chairs, hereby form a representative region for the purpose of electing the number of members and alternates of the Libertarian National Committee that are allocated by the national Bylaws to the region based on the number of national party sustaining members associated with the region.

A regional caucus shall be held between 90 days prior to and the second day of each regular national convention in either a physical location or by a virtual platform. Each registered National Convention delegate of states who are signatory to this agreement who are present at the caucus shall have one vote. Voting shall be by ballot using approval voting, and None of the Above (“NOTA”) will always be an option in at least the first round and until eliminated. A candidate must receive at least a majority to be elected. If no candidate receives a majority after three ballots containing the same candidates, or if NOTA receives the first majority, the position in question will remain vacant until next convention. The current LNC representatives (or in the absence of such representatives, the regional state chairs) will be responsible for organizing the regional caucus and balloting and will make an effort to provide reasonable notice to the affected delegates.

This agreement shall become effective upon filing with the Secretary of the national Libertarian Party a number of versions of this agreement signed by state chairs with enough national party sustaining members to form a representative region. After this agreement has come into effect and before the final vote has been called on the election of the regional representatives at the regional caucus, a state affiliate may join or withdraw from this agreement with the consent of a majority of the other signatory state affiliates.

The term of office for a regional representative or alternate shall commence at occurrence of the close of the convention at which a representative region may be formed or August 31, 2020, whichever comes first. That term shall end at the close of the next convention at which a representative region may be formed or August 31, 2022.

Once the elections have been completed, any person elected as a regional representative member or alternate of the LNC may be removed from office by:

- 1) a majority written vote of the region's registered national convention delegates who were present and qualified to vote at the initial election, or
- 2) a majority vote of the state chairs in the region.

A vacancy may be filled by:

- 1) a majority written vote of the region's registered national convention delegates who were present and qualified to vote at the initial election, or
- 2) a majority vote of the state chairs in the region.
