I’ve been working on creating a speakers list for conventions and fundraisers. I have just over 100 names so far. I’m looking for a volunteer who can take the list and find contact information. From there I will be able to discover the cost speaking fees if any for each. Ultimately, I would like to have a wide range of speakers that any state would be able to tap.

David Aiken has asked me to help proof the new website.

I spent far and away too much time reading emails over the last week; most of which I found unproductive, snarky, and condescending.
Treasurer, 07 November 2018
As per our Bylaws Article II, Section 9, the duties of the Treasurer are as follows:

The Treasurer shall be responsible for maintaining accurate records of all income and expenses associated with the operation of the Party and shall present a summary of all income and expenses incurred at the regular meeting of the Board. The income and expense summary may be limited to activity since the last regular meeting of the Board. The Treasurer shall also prepare budgets for the other board members or assist them in preparing their own budgets.

As of 07 November 2018, PayPal balance was $392.22.
As of 07 November 2018, BBVA Compass balance was $16,661.24.
As of 07 November 2018, Stripe balance was $0.00.
As of 07 November 2018, Federal Election Activity account has been closed by Compass bank, presumably due to inactivity.

Held in reserve:
- Standard reserve $1,500.00
- State Convention reserve $7,000.00
- NationBuilder reserve $1,820.00
- Clear Creek Co DG $40.00
- Denver Co DG $439.00
- Larimer Co DG $15.00
- Weld Co DG $15.00

As of 07 November 2018, Total accessible (excluding reserved funds) balance was $6,239.46.

Monthly since 24 May 2017 I have started corralling one twelfth the annual NationBuilder fee in QuickBooks and in this report so that the sudden expense in April doesn’t catch us unprepared. Based on the NationBuilder annual fee paid 24 April 2018, the monthly cut is $260. Our accessible balance has increased $513.52 since last month.

Any anticipated large future expenses (> $1,000 annually), whether one-time or instalment, I propose to budget in the same manner as with NationBuilder, where I reserve funds monthly into a specific sub-account. This procedure is a good candidate for inclusion in the policy manual. For clarity for me and subsequent treasurers, the standard reserve of $1,500 has been
placed in a sub-account. Starting April 2018 state convention funding is being reserved on a monthly basis.

October subscription (18 recurring) donations to PayPal, Stripe & Compass Bank for October, $497.76, a gain of $10.00.

October one-time (1 contributor) donations, $1,000.00.

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is $100 or more, then I also need the donor’s occupation and employer. Please refer to the postscript in Treasurer’s Report July 2016 for a list of TRACER-accepted occupation names. We can’t accept cash donations over $100. We can’t accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than $20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can’t include more than $100 in cash.

01 November 2018, paid $1,000.00 deposit out of convention reserve fund to Hotel Elegante (Colorado Springs) for 2019 convention.

For supporters who wish to make monthly donations but who don’t have or want a PayPal account, I can set up a subscription using Stripe using the donor’s credit card information. We now have four such subscriptions.

My proposal to convert our donate page to Stripe is on hold pending converting to CiviCRM and a new webpage. The new page will use Stripe.

Respectfully Submitted,
John Hjersman

FUNDRAISING DIRECTOR REPORT NOVEMBER 2018

I have been unable to work much on fundraising this month due to the demands of running for office. I did have time to do the following:

1. I participated in a number of campaign events, both for myself and others (eg., Eric Mulder).
2. My campaign has elicited a lot of interest, which I always try to convert into new LP active members.
3. I contacted a new, large ($1,000) donor to thank him. I invited him to multiple events (election eve party, JeffCo meeting and LOTR).
4. I will bring a write up for “why it is important to register” to the Board meeting.

Castle Rock City Council – Wayne Harlos 24%
**Election Analysis:**
While we may not have had tremendous numbers for many individuals, apart from the stand-outs of John Pickerill’s 26% and Wayne Harlos’ 24%, this is an indicator of the political climate in Colorado rather than an indictment of the libertarian Party’s performance. The largest voting segment was female Democrats, and their prevailing sentiments in the state’s largest voting arenas were against President Trump and in reaction to the confirmation of Justice Kavanaugh. On the other side, voting against Proposition 112 seemed to galvanize many Republican supporters. However, the impact of unaffiliated voters cannot be discounted. While this group remains unaffiliated, they are still primarily partisan, and still voting in the same manner as the 2016 election – based on fear of the “other side” rather than voting for something else.

We have had the usual feedback of “our candidates weren’t electable” and we are “a joke” in the past couple of days, but I am extremely proud of the caliber of candidates we fielded. For the most part, our candidates were well-presented, articulate, passionate and prepared. I hope to see more of such quality candidates declaring their run for 2020.

**Looking Ahead:**
One of the biggest criticisms we field is that Libertarians never win races, so why bother voting for them. Nationally, this is proving to be untrue, with quite a few Libertarians coming very close in a number of races, and some winning local elections. In 2019, we will be focusing on both the upcoming local races, as well as preparing for the 2020 elections.

A call has gone out to affiliates to seek out all sorts of races – non-partisan local city and county races, as well as regional and local boards or committees – that we can run in and win. It is my belief that if we can start seeding these smaller positions with libertarian candidates, we can move onwards and upwards in Colorado to winning partisan races. This strategy puts libertarians into positions that have an impact on our neighbours and communities, and allows us to foster relationships and meet prospective supporters and donors when local candidates want to stand for a partisan seat. It also allows us to spread a libertarian message in a way that can be accepted and understood by voters, as it can show that shrinking government is a good thing at a local level, and can be a great thing on a larger scale.

In addition, we are starting the process of finding candidates to run in the 2020 elections. I would like to start a candidate training camp at the 2019 Convention to draw in candidates and volunteers to start organizing their campaigns and developing their strategies and relationships in the electorate. That way, when 2020 comes along, we will have a solid group of candidates ready and able to campaign for more freedom and less government.

OUTREACH DIRECTOR REPORT - November 2018

Article II, Section 5, of the By-Laws of the Libertarian Party of Colorado:
“The Outreach Director shall be responsible for recruiting members, having speakers, conducting recruiting events, organizing and supporting student clubs and organizations at high schools, colleges, and universities and setting up and operating a speakers bureau.”

On this date, November 12, 1955, a 10 lb 6 oz bouncing baby boy was born to Merlyn and Dolores Gulbranson at Sioux Valley Hospital in Sioux Falls, SD. This child is now the Outreach Director for the Libertarian Party of Colorado.

Actions:
Participated in the election process. Voted for every Libertarian on my ballot – including myself. I challenge everyone to seek the Libertarian nomination for any and all seats available in 2019 and 2020 – including the seat that I have contested this year and in 2016, Colorado House of Representative for District 56. Now is the time to roll on this. Do not wait until your duopoly opponents have a one to two year head start. Don’t for get to look at available seats in local elections many of which are non-partisan.

Additional Events:
Candidate Meet and Greet - Along with the Vice Chair/Libertarian Candidate for Lieutenant Governor, Michele Poague and Libertarian Candidate for Governor, Scott Helker we attended a meet and greet on Saturday, October 13, from 11:00 am to 1:00 pm at Sayre Park, 1702 Grand Ave, Glenwood Springs, CO. Special thanks to Angela Plummer and Bennett Rutledge for setting this up!

MileHiCon – Hyatt Regency Denver Tech Center, 7800 E Tufts Ave., Denver, CO - http://milehicon.org Friday night, October19/Saturday morning, October 20 – midnight to 2:00 am
Assisted the Libertarian Party of Arapahoe County, Author Michele Poague, Candidates Eric Mulder for Sheriff, Michele Poague for Lieutenant Governor, Kat Martin for US Congress CD6, and Kevin Gulbranson for Colorado State Representative HD56. The event featured select readings from published works by Robert A Heinlein.

Election Night Libertarian Viewing Party – Tuesday, November 6
The Vice Chair and I hosted an Election Night Party at our home on November 6th. We had a crowd throughout the evening totaling about 35 faithful liberty loving individuals. Despite the unpleasant results of the election, a good time was had by all – misery loves company. We collected $87.00 in anonymous cash contributions which is being turned over the LPCO Treasury.
Upcoming events:
TBD

There has been interest expressed in participating in gun shows as available. The Tanner Gun Shows are scheduled about every two to three weeks in locations including Denver, Longmont, Colorado Springs, Pueblo. They generally run through a weekend. Cost ranges from $75 to $85 depending on location. Show times are 9:00 – 5:00 on Saturday and 9:00 – 4:00 on Sunday with setup between 7:00 and 8:30 on Saturday. I cannot personally commit to these events as weekends are my prime income earning (job) opportunities. However, I’m sure we can get approval from the board to sponsor participation if we can get a couple of volunteers together to be responsible to represent the Party at any or all of these events. Your Outreach Director will handle registrations and payment and see that you are supplied with materials such as brochures, banners, etc. Schedule through February is listed below:

Tanner Gun Shows

Denver:
December 1-2
December 29-30
January 26-27
Feb 16-17

Colorado Springs:
December 8-9

Important Vendor Rules:
Helpers must remain at tables.
Helpers must be approved in advance.
Dogs are absolutely not allowed in the show.
Vendors must obey all federal, state and local laws–no exceptions.
Payments must be received seven days in advance in order to receive discount.

Always looking for suggestions as to any upcoming events for participation especially in cooperation and support of affiliate or other Libertarian groups outside of the Denver Metro area.

Respectfully submitted,

At the October Jefferson County LP meeting, Ross Klopf and Paul Smith were chosen to lead the new group, and our communications director is helping to create a new Jefferson County LP Facebook page that Ross can set up.

Our Lake County contact plans to reach out to Libertarians there, pending the return of the data sharing agreement.

I continue to process volunteers, sending their information to the appropriate county LP leaders.

Legislative Directors Report November 2018

The Election Cycle is now behind us and we are entering the Legislative Cycle. The Colorado General Assembly will convene on Friday January 4th, 2019, with the swearing in of the newly elected Legislators and the New Colorado Executives, Governor Elect Jerod Polis. I did find it interesting that in his election night speech, Governor Elect Polis did mention Libertarians, by name, as well as Greens and the Two Major Parties that we need to work to seek solutions together. We will see if there will be any validity to that statement.

Not that it was any less important in prior sessions, but with the Democrats controlling both chambers in the Assembly, The Governor’s office, Legislative activism will need to be focused, articulate and engaged.

I have sent out messages to begin assembly of the Legislative Action Committee. We have had several people interested in participating. I will be putting out one more call for volunteers this week.

Volunteers to help in reviewing the legislative calendar so we can stay on top of the legislation that is rolling out. We will review the calendar from the General Assembly website, when legislation will be heard and voted on in committee, as well as when it’s voted on from the floor. Also reviewing proposed legislation, determine which pieces of legislation the Libertarian Party should pursue to oppose or support and help in presenting the LPCO position to other Libertarians and other groups of likeminded and similar interest. We will also be contacting the Legislators to present the Libertarian opinion on the legislation. We can be a resource to help those interested in testifying at the committee hearings. Also we will be working with the LPCO communication team to get the Libertarian positions out via social media and Op/Ed’s written and published in state wide media sources.

Members of the committee will meet via Google Hangout once weekly, typically Sunday evening, or as needed, we will review the legislative schedule of the week and make notes of what we want to keep track of during the week and what’s upcoming so we can follow or participate.

Those Interested in participating on the legislative action committee so far:
Tony Gross
Glenn Ingalls
Randy Linnen
Kevin Gulbranson
Caryn Ann Harlos
As soon as the Principles of Liberty Colorado Training Schedule is out I will get it shared and added to the event list in the LPCO e-mails.

Legislative, Membership, and Outreach need to actively work plan our Libertarian Legislative Lobby day 2019. We need to get a date set and promoted so we can get as many Colorado Libertarians to the State Capitol and share our issues, our message with the elected. My hope is to look at a time around Valentines day, share some Libertarian Love, and possibly have a team deliver treats, cookies or such to the Legislators as we introduce ourselves. I’d like to open the morning with an introduction and press conference on the west steps of the State Capital.

As per our Bylaws Article II, Section 8, the duties of the Legislative Director are as follows: The Legislative Director shall be responsible for monitoring activity in the State Legislature, communicating with that body, developing issue oriented-interest groups, and working with other organizations on areas of mutual concern.

Respectfully Submitted,
Michael Stapleton
Legislative Director
Libertarian Party of Colorado
Membership Director Report November 2018

Per our Bylaws Article II, Section 11, the duties of the Membership Director are as follows: The Membership Director shall be responsible for developing membership education programs and publications, recruiting and training activists from the membership, and overseeing leadership training and succession planning at all levels within the Party, categorizing and contacting current individual members (registered Libertarian voters) to ask/persuade the members to support the LPCO financially or actively and for monthly reporting the same to the Board and affiliates.

The election season is finally over, and I learned quite a bit during my time working with the Mulder and Barris campaigns. I feel optimistic about our ability to win elections on a local level, and a large part of convention plans will include training for Libertarians in order to achieve this goal.

It looks like we will have a candidate for clerk and recorder in Denver, as Mr Doane is ready to do it again. In a year of very few gains, I must say that Raymon could become a great asset to the LPCO.

Eric Mulder had a strong campaign for sheriff, and I’m curious what he might have done had Arapahoe County not been overwhelmed in the Blue Wave. The Democrat won the race without putting in half of the effort Eric did, defeating his more experienced Republican opponent who actually campaigned and showed effort in being reelected. I hope that the party will look at urban/suburban voting trends, and message accordingly.

We had a few successful outings with parades and sign waving events. I hope to assist the Doane campaign, and in doing so, hope to expand volunteer efforts within the Denver/Metro area throughout the Spring. Attempts to attain volunteers for various campaigns was marginally successful, at best, and this race offers the opportunity to improve on coordinating volunteer hours with campaign activities.

This is my number one goal moving towards 2019.

Blue Book
I worked with several folks to create and submit arguments for the statewide and some local Blue Books. Although we weren’t successful in all cases, we were able to have arguments against several tax increases published in the various Blue Books. I provided the only opposition arguments to tax increases for my local district.

Tabor Defense
I worked with the Jeffco Republicans and Ross Klopf to write editorials, produce signs and distribute fliers opposing an illegal 9 year TABOR pause for Lakewood. I personally dropped fliers on many hundreds of doorsteps.

Candidate
I helped our Libertarian candidate Ross Klopf to distribute his fliers throughout his district. Ross and volunteers put out 7,000 fliers door to door.

Calendar
I missed the calendar notification for the deadline to solicit applications for the various committees to look at recommending changes to the bylaws, constitution and platform for the convention. I restarted the auto-calendar quest from before. David Aitken built a date calculator as many of the deadlines are based on the chosen convention date. The current plan is to have Google calendar email the appropriate director for each deadline.

Randall O’Toole
Pitched the convention and volunteering during the soapbox section before this speaker. He discussed the economic waste of Light Rail.

Approval Voting
Met with Frank and the Boulder Libertarians to discuss the next steps for Approval Voting. We also celebrated the recent win in Fargo.
Jeffco Restart
Steve Gallant and I participated in the all important 2nd meeting of the restart process. Ross and one other person became the leaders of this group. We are currently looking for tasks and speakers to solidify the group.

10/12/18 – Talked to Marco Marini at Clickmail.com. They help you decide who is the best email provider for your email needs. He recommended mailchimp.com which will cost us $75 per month ($900/year) for a list of up to 10,000 subscribers with unlimited emails. We currently have about 7,500 subscribers. Other state parties are using Mailchimp and it is recommended by National. Would the chair make a motion to this effect?

10/6/18 – AppleFest at Cedaredge – Marc Montoni was working the booth and when he got a
new name, he would enter it into the lp.org website, https://www.lp.org/more-info/, via his phone
and it was immediately sent to me and the chair. I then converted it to an Outreach Contacts
spreadsheet and loaded it to our database at the end of the day. These new contacts were
in the New Volunteers and Contacts process at the end of the week. This process worked very
well and I highly recommend it for all outreach booths. (2 hours)
