Hi Caryn,

I'm excited to announce that Green Party presidential candidate Dr. Jill Stein is joining us at the 2024 Annual Convention!

Dr. Stein will be participating in the first POTUS Candidate Panel taking place on Saturday evening alongside independent candidate, Mr. Robert F. Kennedy Jr. and Libertarian Party candidates Dr. Michael Rectenwald and Mr. Mike ter Maat!

Dr. Cornel West will be participating in the second POTUS Candidate Panel taking place on Sunday evening alongside Libertarian Party candidates Mr. Jacob Hornberger and Dr. Charles Ballay. The Libertarian Party of California is proud to be the first state affiliate in the country to give Libertarian POTUS candidates the opportunity to engage in dialogue with presidential candidates outside of the Libertarian Party in what is sure to be a historic event!

An updated *Business Agenda* and *Full Schedule of Events* is now available on the Convention website. It is incredibly important that we move business along and stick to the time windows listed, so expect me to move things efficiently and swiftly.

Reminder: If you're a dues-paying member in good standing who plans on participating in business, you should pre-register for credentialing ease (the sooner the better).

Important: Buying a package or add-on does *not* automatically pre-register you for business. It must be done separately.

As a last reminder, awards nominations are due by midnight tonight!
