Director's Reports

Chair - Victoria Reynolds - She's been busy addressing lockdown craziness around Colorado. She's been on various news programs, including Fox News and the BBC from London. Letters were sent to many sheriff problems. The protest at the capitol was very successful. Other organizations joined us. Pickerel expressed his support of Victoria's interviews. Awards were sent out due to the cancellation of our convention. Ross Klopf won the Ptak Libertarian Award. Even though Alan Hayman isn't on the board he was critical to our successful candidate recruitment. We now have 60! candidates on the ballot.
