COMMITTEES:

- Libertarian Party of Colorado
  - Style Committee
    - The committee met once last month as opposed to the planned twice. The next meeting is November 15 at 7:30pm via electronic means and the committee meets biweekly.
  - Policy Committee
    - This committee is chaired by the Fundraising Director. Please see his report for more information. Meetings are scheduled to occur biweekly, although the last meeting occurred on October 10 and another meeting has not yet been scheduled. Meetings occur via electronic means.
  - Constitution and By-Laws Committee
    - The committee met November 2. We discussed merging the Constitution and By-Laws but a super-majority of committee members did not feel this was the right time to take on such a project. Going forward we will discuss past and new recommendations for the 2018 Convention. The next meeting is on December 4 at 8:30pm via electronic means. Subsequent meetings will occur approximately every four weeks.

- Libertarian National Committee
  - Platform Committee
    - I have submitted my name to serve as Colorado’s representative to the Platform Committee. No meetings will be scheduled for the foreseeable future and the LPCO Board has not yet made an appointment to this position.

- Radical Caucus of the Libertarian Party (National Caucus)
  - Endorsements Committee:
    - I have resigned from the Endorsements Committee because the LPRC Board opted to extend the term of the 2017 Committee through 2018 without considering new applications for committee members or a new chair. I fundamentally disagreed with this and resigned so that applications could be sought for my replacement, at least.
Bylaws Committee

- The Committee was formed and a meeting scheduled 24 hours after formation. This was before I could give the Chair my availability. The first meeting is scheduled November 27 at 6:00pm via electronic means. I will not be in attendance.

MISCELLANEOUS:

- Nothing further to report.

Treasurer, 13 November 2017

As per our Bylaws Article II, Section 9, the duties of the Treasurer are as follows:

The Treasurer shall be responsible for maintaining accurate records of all income and expenses associated with the operation of the Party and shall present a summary of all income and expenses incurred at the regular meeting of the Board. The income and expense summary may be limited to activity since the last regular meeting of the Board. The Treasurer shall also prepare budgets for the other board members or assist them in preparing their own budgets.

As of 08 November 2017, PayPal balance was $218.61.
As of 08 November 2017, BBVA Compass balance was $11,394.97.
As of 08 November 2017, Stripe balance was $0.00.
As of 08 November 2017, Federal Election Activity account balance was $0.00.

Held in reserve:
- Standard reserve $1,500.00
- NationBuilder reserve $1,908.00
- Clear Creek Co DG $40.00
- Denver Co DG $355.00
- Larimer Co DG $15.00
- Weld Co DG $15.00

As of 08 November 2017, Total accessible (not including reserved funds) balance was $7,780.58.

Monthly since 24 May 2017 I have started corralling one twelfth the annual NationBuilder fee in QuickBooks and in this report so that the sudden expense in April doesn’t catch us unprepared. Based on the NationBuilder annual fee that I anticipate, the monthly cut is $318.33, rounded to $318.00. Our accessible balance has decreased $142.44 since last month.

Any anticipated large future expenses (> $1,000 annually), whether one-time or instalment, I propose to budget in the same manner as with NationBuilder, where I reserve funds monthly into a specific sub-account. This procedure is a good candidate for inclusion in the policy manual.
Subscription (17 recurring) donations to PayPal, Stripe & Compass Bank for July, $620.52, a loss of $0.00.

Contributions (1 one-time): $0.00

Event contributions: $0.00

I request that any Board member who receives cash or check from a donor please email me with the date received, check number, amount, and name & address of the donor. If the check is $100 or more, then I also need the donor’s occupation and employer. Please refer to the postscript in Treasurer’s Report July 2016 for a list of TRACER-accepted occupation names. We can’t accept cash donations over $100. We can’t accept contributions from corporations or from foreign nationals. The party can accept anonymous donations less than $20 but if anonymous donations are collected by someone not authorized to accept funds for LPCO (not a board member) then that someone is considered a conduit and the collected aggregate is counted against their personal contribution limit and the funds conveyed to LPCO can’t include more than $100 in cash.

For supporters who wish to make monthly donations but who don’t have or want a PayPal account, I can set up a subscription using Stripe using the donor’s credit card information. We now have two such subscriptions.

John Hjersman

Membership Director Report November 2017

Per our Bylaws Article II, Section 11, the duties of the Membership Director are as follows: The Membership Director shall be responsible for developing membership education programs and publications, recruiting and training activists from the membership, and overseeing leadership training and succession planning at all levels within the Party, categorizing and contacting current individual members (registered Libertarian voters) to ask/persuade the members to support the LPCO financially or actively and for monthly reporting the same to the Board and affiliates.

David and I are working to send out a broadcast e-mail to those who have registered L since October 1, 2016. The e-mail includes the Chair welcome letter, Regions welcome letter, and a link to our donation page. I’ll need “broadcaster” status on NationBuilder to send this.

I still need photos for the newsletter, and I am still seeking someone to provide assistance formatting the e-newsletter.

Records Report November 2017

I and the head of the Colorado Union of Taxpayers argued the Criminal Justice and Income Tax ballot initiatives before the Title Board. Unfortunately, both proposals were ruled too comprehensive. We are working with the drafters to craft a narrower version of the Income Tax initiative. Since the Title Board suggested that the Criminal Justice initiative be split into 11 different ballot measures, we have abandoned it.

I joined Wayne and John on a conference call with Matt Fergunson and another lawyer to discuss the lawsuit, our options and our future course.

PARTIAL DELEGATE ALLOCATIONS

The National Bylaws lay out this formula for delegate allocations:

1. Affiliate Party Delegate Entitlements:
   Each affiliate party shall be entitled to send delegates to each Regular Convention on the following basis:
   
   1. One delegate for each 0.14 percent, or fraction thereof, of the total Party sustaining membership in that affiliate; provided that at least one such delegate must be a resident of that State or District.
   
   2. One delegate for each 0.35 percent, or fraction thereof, of the votes cast nationwide for the Libertarian Party candidate in the most recent presidential election, cast in that affiliate's state.
These are the PARTIAL allocations based upon Condition Number 2 above:
ALASKA - 2
ARIZONA - 7
COLORADO - 10
HAWAII - 2
KANSAS - 4
MONTANA - 2
UTAH - 3
WASHINGTON - 11
WYOMING - 1

If the October membership numbers were used, these additional delegates would be added (.14% of the total Party sustaining membership is 20.82) please note that these are my personal calculations and are not official or certified - the Party secretary will release those:

ALASKA - 5
ARIZONA - 16
COLORADO - 24
HAWAII - 3
KANSAS - 7
MONTANA - 4
UTAH - 5
WASHINGTON - 23
WYOMING - 2

Thus the projected (unofficial allocations) using the numbers so far would be:

ALASKA - 7
ARIZONA - 23
COLORADO - 34
HAWAII - 5
KANSAS - 11
MONTANA - 6
UTAH - 8  
WASHINGTON - 34  
WYOMING - 3

Thus, very approximately, each of the above states could earn one more delegate by boosting the October numbers by this many members and then another for each additional 21.

ALASKA - 18  
ARIZONA - 9  
COLORADO - 20  
HAWAII - 7  
KANSAS - 11  
MONTANA - 12  
UTAH - 13  
WASHINGTON - 20  
WYOMING - 11

YOUR STATE AFFILIATE HAS UNTIL THE END OF DECEMBER TO GET NATIONAL MEMBERSHIPS UP IN ORDER TO INCREASE DELEGATE ALLOCATION. LET'S DO THIS!!

Motion: That the LNC adopt the following resolution:

------------------------Resolution Text------------------------
A Call to End the U.S. War in Yemen and Support House Concurrent Resolution 81

Directing the President pursuant to section 5(c) of the War Powers Resolution to remove United States Armed Forces from unauthorized hostilities in the Republic of Yemen.

Resolved by the Libertarian National Committee (LNC)

SECTION 1. REMOVAL OF UNITED STATES ARMED FORCES FROM HOSTILITIES IN THE REPUBLIC OF YEMEN THAT HAVE NOT BEEN AUTHORIZED BY CONGRESS.

(a) Findings — The Libertarian National Committee agrees with Congress and finds the following:

(1) Whereas, Congress has the sole power to declare war under article I, section 8, of the Constitution.

(2) Whereas, a state of war has not been declared to exist with respect to the conflict between forces led by Saudi Arabia and the United Arab Emirates against the Houthi-Saleh alliance in the Republic of Yemen.

(3) Whereas, United States Armed Forces have been involved in hostilities between Saudi-led forces and the Houthi-Saleh alliance, including through assisting Saudi and United Arab Emirates warplanes conducting aerial bombings in Yemen with selecting targets and by providing midair refueling services to such warplanes, amounting to millions of pounds of jet fuel delivered during thousands of Saudi and United Arab Emirates airstrikes.

(4) Whereas, according to the Department of State’s Country Reports on Terrorism 2016, the conflict between Saudi-led forces and the Houthi-Saleh alliance is counterproductive to ongoing efforts by the United States to pursue Al Qaeda and its associated forces under the Authorization for the Use of Military Force (Public Law 107–40; 50 U.S.C. 1541 note).
(5) Whereas, no authorization for the use of United States Armed Forces with respect to the conflict between Saudi-led forces and the Houthi-Saleh alliance in Yemen has been enacted, and no provision of law authorizes the provision of midair refueling services to warplanes of Saudi Arabia or the United Arab Emirates that are engaged in such conflict.

(6) Whereas, the conflict between Saudi-led forces and the Houthi-Saleh alliance in Yemen constitutes, within the meaning of section 4(a)(1) of the War Powers Resolution (50 U.S.C. 1543(a)(1)), either hostilities or a situation where imminent involvement in hostilities is clearly indicated by the circumstances into which United States Armed Forces have been introduced.

Therefore, be it resolved, the LNC supports H.Con.Res. 81 in accordance with section 3.3 of the Libertarian Party Platform, but advises complete removal of U.S. Armed Forces from the Republic of Yemen:

(b) Removal Of Armed Forces.—Pursuant to section 5(c) of the War Powers Resolution (50 U.S.C. 1544(c)), Congress hereby directs the President to remove United States Armed Forces from hostilities in the Republic of Yemen, except United States Armed Forces engaged in operations directed at Al Qaeda in the Arabian Peninsula or associated forces, by not later than the date that is 30 days after the date of the adoption of this concurrent resolution (unless the President requests and the Congress authorizes a later date), and unless and until a declaration of war or specific authorization for such use of United States Armed Forces has been enacted.

THIS FAILED AND I ALSO VOTED NO, AND HERE IS MY REASONING: I agreed with Sam Goldstein that that resolution clearly allowed the Federal government to use military force in another country in violation of our Platform (i.e. had a great position on Yemen but supported the general "war on terror"). Further, Our yes or no will do nothing about soldiers, so we have to look at what it could do. Why are we so involved overseas? The war on terror. To leave the root in place means we have done nothing but virtue signal and not even a clear virtue signal. I would not vote yes on a medical marijuana one that gave support to the war on drugs but just felt this
was an exception. I am fine with taking a bite of cake. I'm not fine with taking just a bite and approving the portion limiting. I vote for partial measures all the time. But carefully - this one doesn't pass that threshold.

The final tally was:

**Voting "aye":** Demarest, Hewitt, Marsh, McKnight, Moellman, Sarwark, Starchild

**Voting "nay":** Bilyeu, Goldstein, Hagan, Harlos, Katz, Lark, Mattson

**Express Abstention:** Hayes, Redpath
