FRAN IS ON BALLOT

★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★ ★

Dear Contributor:

We made it! We are on the ballot. And already publicity is rolling in - a feature story on page 5 of the Sunday News, CBS-TV interview, NBC-TV interview, several local radio and tv reports, additional mentions in the New York Times, New York Post, Daily News and several community newspapers.

The momentum is tremendous. And we need to keep it up with advertising- ads in the newspapers, radio, tv, posters, literature, staff. This means money. You have all been very generous. Many of you have made pledges in addition to what you have already given, provided Fran is on the ballot.

I know this is one pledge you want to be reminded of. We need the money right away, so that we can start planning a realistic budget. To those of you who made a pledge, we place a gentle simple reminder at the top of the page.

And to everyone, we have a new deal for you. We need to advertise in the media and we need several thousand dollars to do it right. So- if you wish to give, beyond what you have already given or pledged, with the stipulation that your money be used solely for producing and purchasing ad space, send a note along with your check or make a note on your check that the money is for the advertising budget. Such funds will be used to produce and place ads.

Help spread the word.

Yours for liberty,
Gary Greenberg
