C.	<p>Proposal from Mike Seebeck</p> <p><u>2.15 Agorism</u></p> <p><u>We affirm the right of individuals and businesses to subvert state regulation, taxation, and restrictions enacted by executive order, through black and grey market activity, so long as such activity does not violate the individual rights and liberties of customers or community members through theft, fraud, or violence.</u></p>
D.	<p>Braiman proposal.</p> <p>(New number, TBD): <u>Adult Rights and Responsibilities: Once individuals are presumed to have adequate judgment to vote and to serve on a jury or in the military, they should also be presumed to have sufficient judgment to decide their own purchase and use of alcohol, tobacco, firearms, cannabis, and other potentially risky activities.</u></p>
E.	<p>Recuero proposal on 3.6 Representative Government</p> <p><u>The Libertarian party encourages, when necessary, the right to petition the government for redress of grievances. This is absolutely dependent upon openness in government, which therefore must never act behind closed doors.</u></p> <p>We <u>As such we</u> support election systems that are more representative of the electorate at the federal, state, and local levels. As private voluntary groups, political parties should be free to establish their own rules for nomination procedures, primaries and conventions. We call for an end to any</p>

	<p>tax-financed subsidies to candidates or parties and the repeal of all laws that restrict voluntary financing of election campaigns. We oppose laws that effectively exclude alternative candidates and parties, deny ballot access, gerrymander districts, or deny the voters their right to consider all legitimate alternatives. We advocate initiative, referendum, recall, and or repeal <u>and oppose any effort to deny these options</u> when used as popular checks on government.</p>
F.	<p>Proposal PC-C needs numbering decision.</p> <p>https://docs.google.com/document/d/13j-qxapikKZjd8dFQUer5D60LRR2g9s9t15rEs91zGc/edit</p>

We call for the repeal of the income tax, the abolishment of the Internal Revenue Service and all federal programs and services not required under the U.S. Constitution. We oppose any legal requirements forcing employers to serve as tax collectors. All persons <u>individuals are entitled to keep the fruits of their labor and to determine which mediums of exchange they will accept for their personal transactions.</u> We support any initiative to reduce or abolish any tax, and oppose any increase on any</p>

	<p>tax for any reason. To the extent possible, we advocate that all public services be funded or allowed to be provided in a voluntary manner.</p> <p><i>The Chair will be asking Mr. Brown or another member to take the gavel on this proposal as there is one part the Chair wishes to debate freely. If it passes, the Chair will likely also pass the gavel at convention and argue a minority report.</i></p>
