

# Bylaws of the Free Libertarian Party of New Mexico

Adopted October 29, 2022

## Article I: NAME

The name of the organization shall be the Free Libertarian Party of New Mexico (hereinafter “the Party.”). The Party shall operate as a Political Action Committee and qualified political party under the laws of the State of New Mexico as permitted and shall be exclusively an affiliate of the National Libertarian Party (hereinafter “the national Party”).

## Article II: STATEMENT OF PURPOSE

The purpose of the Party is to implement and give voice to libertarian principles, such as those in Article III: Statement of Principles below, throughout the state of New Mexico by:

- A. providing leadership and direction for the Libertarian movement in New Mexico;
- B. communicating the message and positions of the Party;
- C. entering into political information and educational activities;
- D. promoting, chartering, coordinating, and supporting Party affiliates;
- E. growing the Party through attracting and retaining members;
- F. attracting, nominating, and promoting professional, serious Party candidates for political office; and
- G. promoting Libertarian legislation throughout New Mexico.

## Article III: STATEMENT OF PRINCIPLES

We, the members of the Free Libertarian Party, of New Mexico challenge the cult of the omnipotent state and defend the rights of the individual.

We hold that all individuals have the right to exercise sole dominion over their own lives, and have the right to live in whatever manner they choose, so long as they do not forcibly interfere with the equal right of others to live in whatever manner they choose.

Governments throughout history have regularly operated on the opposite principle, that the State has the right to dispose of the lives of individuals and the fruits of their labor. Even within the United States, all political parties other than our own grant to government the right to regulate the lives of individuals and seize the fruits of their labor without their consent.

We, on the contrary, deny the right of any government to do these things, and hold that where governments exist, they must not violate the rights of any individual: namely, (1) the right to life — accordingly we support the prohibition of the initiation of physical force against others; (2) the right to liberty of speech and action — accordingly we oppose all

attempts by government to abridge the freedom of speech and press, as well as government censorship in any form; and (3) the right to property — accordingly we oppose all government interference with private property, such as confiscation, nationalization, and eminent domain, and support the prohibition of robbery, trespass, fraud, and misrepresentation.

Since governments, when instituted, must not violate individual rights, we oppose all interference by government in the areas of voluntary and contractual relations among individuals. People should not be forced to sacrifice their lives and property for the benefit of others. They should be left free by government to deal with one another as free traders; and the resultant economic system, the only one compatible with the protection of individual rights, is the free market.

If any Article, Section, or Clause of these Bylaws is to any extent determined to be invalid, illegal, or incapable of being enforced, such Article, Section, or Clause shall be excluded only to the extent of such invalidity, illegality, or unenforceability; all other Articles, Sections, and Clauses hereof shall remain in full force and effect, and to this end the provisions of these Bylaws are declared to be severable.

#### PROVISO to Article I: Name

Article I is adopted with the proviso that the Party's SCC can amend the Party's name with a 2/3 vote if required by law, other legal issues, ballot access, and/or to qualify as a political party in New Mexico. The SCC can also change the Party's name to Libertarian Party of New Mexico with same conditions if and when legally permitted. If the new name does not contain the words "Libertarian" or "Liberty," approval of the Libertarian National Committee will be required. This change must take place at a properly noticed regular or special meeting.
