February 2023

Outreach Director: Eliseo Gonzalez

### **Article VI, Section 3, of the Bylaws of the Libertarian Party of Colorado:**

“The Outreach Director shall be responsible for booking and running outreach booths and community events, and for maintaining outreach materials. This month, as the director of outreach, The outreach committee has successfully organized 2 events, 3 members of the LPCO along with other LPCO allies attended the Tabor Celebration on 1/14/2023. The LPCO also had a hangout in Castle Rock. I've started an Outreach Committee which consists of 3 members. This committee has volunteered to help plan and execute at least 1 outreach event per month. Our goal is to have 1 general event per quarter. I've reconnected with a community organizer of small businesses and we are planning on having an outreach event with them to learn how the LP can become visible to them. The LPCO Trailer is back in the metro area at 1195 Isabel St. Golden, CO 80401. I have started a folder that will house SOW for any future Outreach directors.

## Affiliates Director Report for February, 2023

The Affiliate Development Director shall develop and support affiliates and development groups, and guide development groups towards official affiliate status. The Affiliate Development Director may establish and manage committees (including the appointment of any committee chairs) to perform these functions.

Attended 5 bylaws committee meetings.

Attended an L10 meeting via Zoom.

Sent texts to all county contacts to remind them of affiliate check in.

Spoke with Arapahoe Chair on the phone regarding affiliate check in.

Attended Affiliate check in meeting.

Attended January and February LP Denver meetups.

Attended February LP Douglas County meetup.

Attended February LP Arapahoe County meetup.

Went to state capitol building twice to film Libertarians testifying in committee.

Reviewed county affiliate compliance with LPCO bylaws. We were missing Annual Meeting minutes and/or officer contact information for Boulder, Chaffee, Douglas, Mesa, and Pueblo. Chaffee also is still not filed with the SOS as an affiliate. Another Board member noticed Boulder has significant fines pending on TRACER.

Sent emails to all affiliate contacts whose affiliates were either behind on the above requirements or were missing meetings from the LPCO website or meetup.com.

Received email back from Douglas County that they would get the 2022 Annual Meeting minutes submitted. Received email with minutes and officer contact information a couple days later. Douglas is now in compliance.

Received email back from Boulder County that his old Treasurer had told him everything was filed through 2022, but he apparently didn't file. He stated he would get on requesting waivers for the fines. Boulder is also still behind on sending 2022 Annual Meeting minutes to LPCO. Boulder is also in need of new leadership. Currently, they have one person on the board who is planning to shut it down in the Spring.

Sent follow up texts to Chaffee and Pueblo. Sent a follow up email to Mesa.

Received response text from Pueblo that they were unable to make quorum in 2022 for an Annual Meeting. The previous board stayed in place for another year. I made them aware of the requirement in the LPCO bylaws for affiliates to hold an Annual Meeting each year. Pueblo needed training on posting events on LPCO website, so I provided [databasemanager@lpcolorado.org](mailto:databasemanager@lpcolorado.org) as a resource.

Sent text to Adams Development Group contact to check in. They are currently not holding events.

Updated county contacts in CRM.

Respectfully Submitted,

Kyle Furey, Affiliates Director Libertarian Party of Colorado
