Do you know all the ways you can give to the LP?

We know as Libertarians there are things that really matter to you. Your money is important and you want your political contributions to have maximum impact on your personal goals and values.

With that, we want to let you know all the different ways you can support the LP before the end of the year when your contribution levels reset to zero.

We know you want as much control as possible over
your money. It's our hope that you will find your
impact points and give at your greatest level so we can
make the largest leaps for Libertarian principles.

Individually your contribution is valuable to us.
Collectively, your impacts can be a catapult to a new
kind of governance, one that gives each of us more
autonomy over ourselves and our families' financial
and physical welfare.

**Thank you for all that you have
done to support these efforts this
year.**

**We can't wait to see you again in
2020!**
