Caryn Ann,

Get ready to be inspired because we have incredible news to share – the renowned freedom maximalist and Bitcoin philosopher, Robert Breedlove, will be attending our 2024 National Convention in Washington DC as a featured speaker!

Mr. Breedlove is more than just another speaker at our most party's most important event – he's a visionary who draws from ancient wisdom and brings it forward into the modern era, with Bitcoin as the context. His thought-provoking content has earned him a reputation among Bitcoiners for his ability to shed light on the philosophical underpinnings of freedom and sound money.

Prepare to be captivated as Robert delves into the timeless principles of freedom and individual sovereignty, weaving in the revolutionary potential of Bitcoin to reshape our world. Gain invaluable insights as Robert explores the intersection of philosophy, economics, and technology, offering fresh perspectives on how Bitcoin can pave the way for a more liberated future.
