Historical,

We are excited to announce **Nathan Fatal** has been contracted as our **Political Director!**

Nathan is the Director of Community Organizing at the Leadership Institute. He has overseen hundreds of volunteers and political campaign staff across the United States and has trained over 10,000 activists globally.

He led the charge on lawsuits in California and legislation in Arizona which protected the freedom of speech and expression at 66. In 2021 and 2022, he organized restaurant owners and activists in Los Angeles in civil disobedience against lockdowns that were destroying family-run businesses and the freedom of commerce that are essential to a free society.

Nathan will be hosting a **Candidates Post Mortem this Saturday at 4PM Eastern via Zoom**. If you'd like to participate, **reply to this email** so we can send you the link.
