Caryn Ann,

You have a unique chance to help the Libertarian Party of Virginia re-shape their state's ballot access law. **House Bill No. 440** has been introduced to the Virginia General Assembly's Privileges and Elections Committee.

The Bill would allow candidates to electronically file required forms and petitions to increase efficiency and convenience for candidates. [You see House Bill No. 440 in its entirety here.](#)

LPVA is asking for help **urging members of the Privileges and Elections Committee to support this Bill.** [Click here to view the full list of committee members and the phone numbers for their offices.](#)

Thank you in advance for taking action to help our Virginia affiliate fight for ballot access reform!
