Templates: Andrew reported that he did some work on the Infobox Committee template but there is still more to be done.

Site Statistics: Sam reported that the statistics haven't changed much, with the article about Bill van Allen still getting a significant amount of traffic apparently because he is a current candidate for public office (though no longer a Libertarian).

Featured Article: There was a brief discussion of the Michael Rebmann article and a problem with it was fixed.

Alaska: Andrew said he may be speaking again with Richard Randolph and perhaps also with Scott Kohlhaas to try to get more information about this state party.

New York: Andrew said he has been keeping up with current material and also has been adding some material about county organizations.
