BYLAWS

Last thing is in regards to membership year. See post in this group.

PRESS RELEASE

The press release announcing the convention was in Sept. 26th's Post Journal and The Observer. Not yet posted in the Westfield Republican.

APPAREL

Art is done. I am getting prices for the apparel. I will post when we get them and create an order form on the website.

CHRISTMAS PARADE

I am on the mail list to receive information on the Christmas parade. They expect to put up the application this weekend or this week on the website. We will be needing to figure out what kind of banners we want, what they say, as well as the literature to hand out. Of course we will be discussing this through November, so we have time to think about these. Thoughts on a theme?

ANNOUNCEMENT ARTICLE

Following the convention, I will submit the announcement for the official formation of the chapter. I would like this to be large so we can get some good exposure. If you have input, let me know.

NEWSLETTER/BLOG

First e-mail was sent with MailChimp mentioning the founding convention.
