The purpose of the Bureau is to develop good Libertarian speakers in New Mexico and to actively solicit as many speaking engagements as possible. This program is being coordinated from National Headquarters and 43 states are already participating on a local level. ## Libertarian Supperclub Forming

"The Libertarian Supper Club of Albuquerque" will feature distinguished speakers each month on subjects of concern to Libertarians. The Supper Club will provide an opportunity to get acquainted with other Libertarians over dinner, learn about Libertarianism, and will be a place to introduce your friends to the movement. The first meeting of the Supper Club will be in the middle of September, exact date, location, and speaker to be announced in next month's newsletter. If there is a speaker you would like us to try to get, call John Howard, 883-5288.

### LIBERTARIAN REVIEW:

WHAT A BONUS . . . "IF the U.S. refused to base the MX on land because of gripes from ranchers in the open spaces of the Southwest," complains syndicated pundit Joseph Kraft, "the Europeans would never agree to station [American] nuclear weapons on their far more heavily populated territory."

"WELL, IF WE CAN'T PUT IT OUT HERE, PERHAPS YOU HAVE SOME SUGGESTIONS WHERE WE COULD PUT IT . . ."
