*“City government needs to be more effective, more efficient and less expensive. The City Council should provide first class basic services to all our neighborhoods, instead of special services to special interests.”*

**Bob Odden**

- ✓ Public hearings on the Highway 55 re-route. Bob doesn't want a highway through Minnehaha Park either.
- ✓ Millionaires should build stadiums with their own money, not ours.
- ✓ Corporate welfare must stop.
- ✓ Public safety, before public subsidies.
- ✓ Arrest criminals, not buildings.
- ✓ Annual independent public audits of city government, city departments/agencies, and city funded non-profit corporations.

Bob's an independent who's endorsed by independent voters including Libertarian Party and Reform Party members.

*"I'm urging you to vote for Bob Odden this November 4th. Bob's an outspoken opponent of the Highway 55 re-route through Minnehaha Park. His stance against government welfare to millionaires speaks directly to my own political sensibilities. Bob has listened to my concerns and as a city council member he'll listen to yours."*

Ken Bradley, DFL

5th Congressional District Campaign Coordinator 1996

*"Bob's my first choice for voting,"* Claudia Draghine

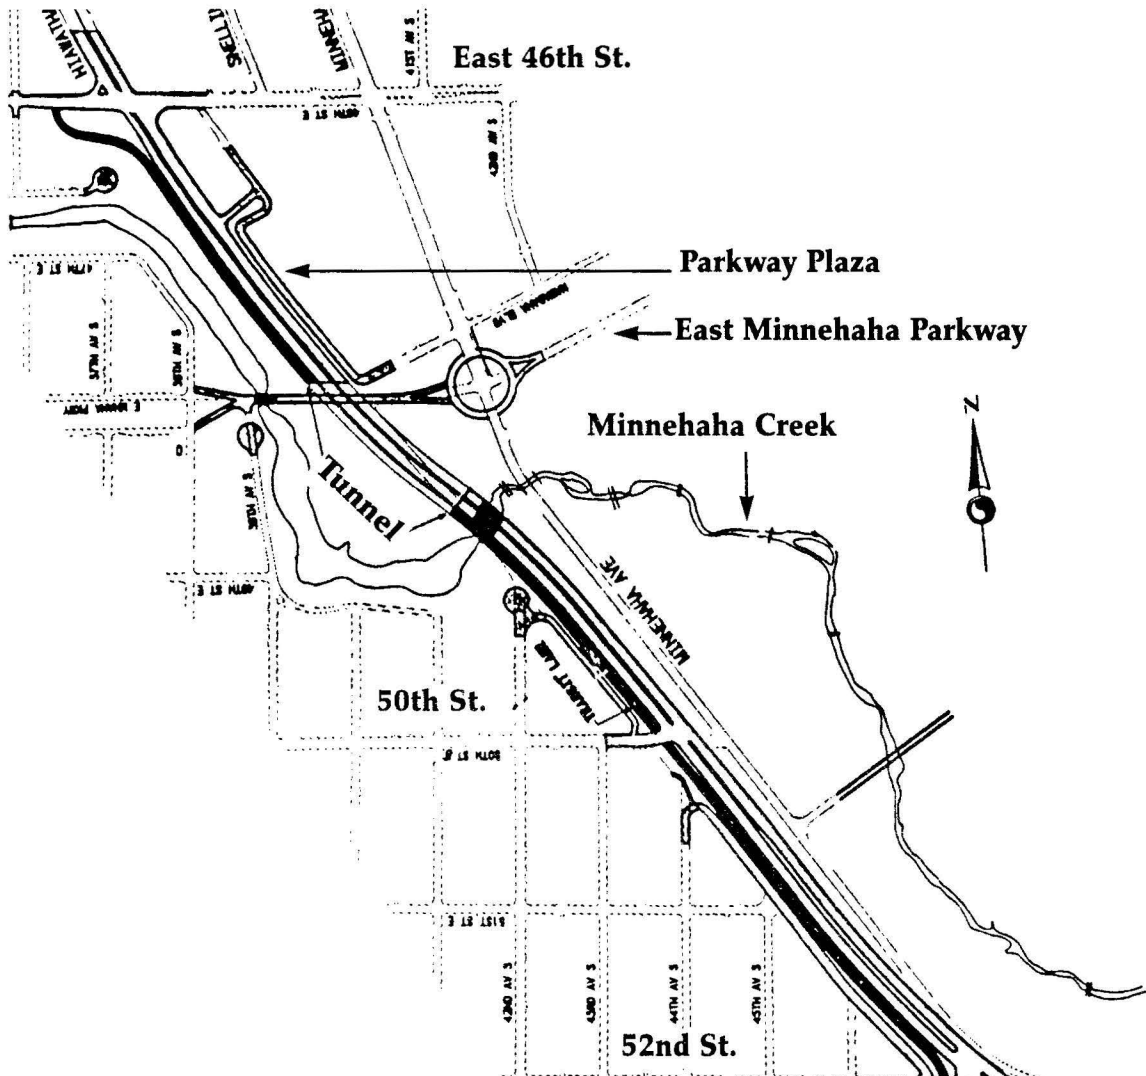

*"Bob's willing to work with everybody,"* Da Vang.

*"The voters of the 9th Ward have a clear choice, Bob Odden. Bob is committed to representing the people of his ward, not the special interests of downtown power brokers. The 9th Ward needs a common sense, practical problem solver who will put the 9th Ward first and special interests last."*

Dean Barkley, Reform Party Senate Candidate 1996
