TREASURER'S NOTES

CAMPAIGN FINANCE. A “No Activity Report” was filed for the January 2021 Periodic report. The next report is the July 2021 Periodic report. Search "Chautauqua Libertarian" here: <https://www.elections.ny.gov/recipientstext.html>. The full balance does not appear, but it may be a glitch that will need to be resolved later. Additionally, the New York State Board of Elections has a new electronic filing system (EFS) that will be used for all future filings.

BANK ACCOUNT. At the December 3, 2020 meeting, a motion was made to remove Anne Kwasneski, our first Treasurer, from the bank account, and designate myself and Len Morlock as administrators on the account. The minutes have been approved and once they have been signed, we can proceed to make an appointment at the bank to update the account accordingly.
