This month, as the director of outreach, The outreach committee has successfully organized 2 outreach events, Several members of the LPCO attended 2 events held in Northern Colorado and in Castle Rock. LPCO also had a booth at Liberty On the Rocks and was able to distribute flyers and spark interest in those liberty minded people to join the Party. The Take Human Action Tour has reached out to LPCO. In teaming up with Take Human Action Tour, the LPCO will actively promote the event through our conventional means of communication. In return, the LPCO will have a booth available at the event which I believe will reach those who cannot be reached by our current channels of communication. I have also identified a few events such as comedy shows and restaurants and bars who will display some LPCO printed material.

Several LPCO members speaking at committee hearings

I've been working to create a coalition with a member of the Colorado Health Choice Alliance. There is a lot of overlap on their mission and ours. Their focus has been vaccine and mask mandates as well as the severe overreach of CDPHE into all aspects of our life. Beginning in April CDPHE is being forced (via lawsuit) to have in person meetings again now that the "COVID emergency" is now over. The opportunity for this coalition is pretty high.
