

LIBERTARIAN PARTY OF COLORADO

Database Manager Report for December, 2023

See following time report.

The LNC passed this resolution at their most recent meeting:

“Mr. Benner moved that the LNC resolves that Civi CRM has not proven suitable for use for fundraising and membership purposes of the Libertarian National Committee. Therefore, the LNC tasks the IS Committee with identifying a CRM for use by the National Libertarian Party within sixty days. This motion rescinds any and all prior LNC decisions in conflict.”

Eric Fowler, chair of the IS committee, said that Civicrm is budgeted for and will remain as is through the end of 2024.

There is a feeling among several State Admin people that it makes sense for national to maintain civi as a State Affiliate Portal indefinitely. Whether that will happen is to be decided next year.

Our **November** Amazon bill for CRM email services was **\$3.67** for just under **40,000** emails. This cost is recorded as an In-Kind donation by the Database Manager.

Our credit with MailChimp for email services has expired and we are no longer maintaining that account. Our free data storage with Amazon will terminate at the end of 2023. Our domains managed by Google will be moved to Squarespace sometime soon.

Respectfully Submitted,
