The national Platform Committee has been working hard on developing meaningful proposals to present to the delegates for potential adoption at the second sitting of the national convention to take place in Orlando July 9-12, 2020. If you have not yet secured your tickets and hotel reservations, please visit [libertarianconvention.org](http://libertarianconvention.org) for more information.

As part of its finalization of its proposals, the committee asks all interested Party members (not just delegates) to participate in an opinion survey about the proposals. Please take the survey by going here: <https://www.surveymonkey.com/r/STVKTQ6>

Also please note that there is a scheduled public hearing for members to give their feedback to the committee. Find out more information about how to attend here: <https://www.lp.org/notice-of-public-hearing-platform-committee-proposals-june-28-2020-8-10pm-eastern/>

**In Liberty,**

*Caryn Ann Harlos*
