FOR IMMEDIATE RELEASE

Libertarian Party POTUS/VPOTUS Candidates Achieve Ballot Access In All Fifty States; LPNY Presidential Electors Accepted By NYS Board of Elections

Albany, New York, September 10, 2020 – The Libertarian Party of New York (LPNY) is pleased to announce that Jo Jorgensen, Libertarian Candidate for President of the United States, and her running mate, Jeremy “Spike” Cohen, have achieved ballot access in all fifty states, plus the District of Columbia. This is the second consecutive presidential election in which the Libertarian Party’s POTUS/VPOTUS ticket has earned nationwide ballot access, and the fifth time since the party’s founding in 1971.

Commensurate with Jorgensen and Cohen being accepted for appearance on the ballot in New York State, the LPNY has also submitted to, and had accepted by, the New York State Board of Elections its list of Presidential electors.

LPNY Chair Anthony D’Orazio stated, “The Libertarian Party of New York is proud to submit its list of Presidential electors who will represent the Libertarian Party and New York State in the Electoral College. Citizens are seeking another choice that decreases the size and scope of government outside the two party system. The Libertarian Party represents the only principled third choice in American politics. Our ever-increasing enrollment and electoral returns are reflective of that reality.”
