

Register for the 2018 Annual LPNY Convention!

Registration Open

Registration for the 2018 Libertarian Party of New York State Convention is now open. The convention will be held starting on the evening of Friday, April 20, 2018 with the business occurring April 21-22, ending at noon on Sunday. Here we will conduct party business, including election of officers and at-large committee members, as well as nominate our statewide candidates, including our nominee for governor.

Please note: Room rates are \$99 if reserved by April 9, 2018.

Use the button below to go to our online registration page. All packages and details are outlined there. If you are only attending the business session (which is free to LPNY members), we still need you to register so we have an accurate list of attendees.

2018: Ballot Access Opportunity

We will need to receive at least 50,000 votes for governor in order to attain official recognition as a political party, for the first time, in New York State. We need to do this first by securing ballot access for our statewide candidates. We will need to collect 15,000 valid petition signature for our 2018 statewide candidates. Because of anticipated challenges, we will need to collect at least twice that number (30,000) in order to guarantee ballot access. We would appreciate your help by donating to our ballot access fundraiser.
