Reports

Chair Wayne Harlos reported that the LPDC affiliate status had come together nicely.

Vice Chair Charles Looney had nothing to report.

Treasurer Beatriz Sutton reported that the LPDC bank account was ready to accept donations, and will soon be able to accept donations through NationBuilder online.

Yearly Goals

Mr. Harlos moved to set a yearly goal to quadruple membership in one year. After discussion, this was agreed as a reasonable goal.

Ideas for Growth

The following suggestions for growing membership were made during this discussion: gun show booths; county fair booths; emphasizing the monthly meetings during personal discussions with friends on Facebook, email, and other media; producing a digital calendar to highlight Douglas County political events; adopting a road/adopting a trail; volunteering for community outreach, such as domestic violence groups.

Fundraising

The following suggestions for fundraising were made during this discussion: obtaining donation pledges on a per-new-member basis, or other regular donation pledges; offering shirts and other Libertarian branded items (especially using highly controversial slogans) as a thank-you for donations during outreach booth style events; asking for donations in mailers and

newsletters and always asking at events; utilizing NationBuilder database to make phone calls to request donations and volunteers.

Record Keeping

It was agreed upon to keep a record of all motions passed following the same format as the state party. This document shall be titled "LPDC Reference" and be stored on the Google Drive. The goal of this document is to preserve institutional memory.

E-Mails

The Google Drive will be used as the primary organizational structure. All records will be kept in the Google Drive. Without objection, it was agreed to continue using personal email addresses to avoid the costs or labor associated with additional email addresses on the LPDC domain.

Adjournment

The meeting was adjourned at 6:50 p.m.
