[LEC Meeting - January 25, 2023](#)

Lastly, one quick update on the Special Convention business:

At the January 25th meeting, the LEC approved a call to convention for April 1st. This will be sent to your local affiliate Chairs who will be scheduling their conventions to select delegates (and possibly do other business) shortly. If you are interested in participating, please attend your local convention. There will be more details to follow.

Kind Regards,

Connor Nepomuceno
