Today is Giving Tuesday. On this day we should be mindful of our own giving: Giving one's self, giving of one's time, giving of one's money.

#GIVINGTUESDAY  

Last year, because of your generous giving, after 47 years of struggle, the Libertarian Party of New York saw our first major success when we finally achieved ballot access.

We expected that success to last four years. Instead, Andrew Cuomo has [moved the goal post](#) in order to kill off minor parties, despite the [opposition of a clear majority](#) of New Yorkers.

To fight this tyranny may require litigation. And litigation requires money.

It's Giving Tuesday, and we're asking you to make a donation to preserve and grow the voice of liberty in New York State. If everyone reading this gave just \$25 dollars, we'll be able to fight to preserve not only our ballot line, but electoral choice for all New Yorkers.
