Historical,

As a reminder, this month is your last chance. October marks the final month for your Libertarian Party membership to be considered for delegate allocation at our upcoming 2024 National Convention. Your voice, your ideas, and your passion matter profoundly to us, and becoming a member this month is your gateway to actively shaping the future of our party.

Why Join the Libertarian Party this October?

- **Empower Your Voice:** By joining us, you become eligible to be an integral part of the process that decides our messaging, our presidential candidate, and the values that we put front and center. Your membership means you have a say in our party's direction, policies, and strategies.
- **Increase Your State Delegate Size:** The total number of members to the national party from your state will effect the number of delegates that are allocated to your state. Ensure your state has it's fair share of representation by becoming a member today.

Every new member strengthens our cause and brings us one step closer to a freer, more prosperous America. Your involvement matters. By becoming a member this October, you not only maximize your chance to be a delegate at the National Convention but also help fuel the efforts the Libertarian Party is pushing forward like Ballot Access and Candidate Support.

If you have any questions or need assistance with the membership process, please feel free to contact us at info@lp.org. Let's stand together for freedom and make a lasting impact on our nation.

In liberty,
