EXPLANATION OF STRUCTURE OF REPORT

This report will give a brief rationale at this time for a proposal; the bylaw or rule as it currently reads; a mark-up copy of the bylaw or rule in the proposal; and a final copy of how the bylaw or rule would read if the proposal passed as proposed.

PROPOSAL A – RESIGNATIONS

Rationale: Per RONR, resignations must be voted on as accepted which requires a meeting or an email ballot (7 days). What if a resignation is voted down? Or if it is forgotten to take a resignation vote timely with resultant ambiguity as to entitlement to vote and appropriate thresholds?

CURRENT WORDING

None.

PROPOSAL B – LIMIT ALTERNATE ALLOCATIONS

Rationale: The existing allocation provides for 50 alternate positions, even for states with far fewer than 50 delegate positions. This creates additional work on the part of the Credentials Committee and additional planning on the part of the Convention Oversight Committee. It is also illogical for example that a state that has 4 delegates, has up to 50 alternates.

ARTICLE 10: CONVENTIONS

4. Delegate Allocation:

[...]

- a. A list of the names and addresses of all delegates and alternates chosen by each affiliate party shall be sent to the Credentials Committee no later than one month prior to start of the first general session of the regular convention. Amendments to such lists may be made by the affiliate parties and submitted to the Credentials Committee until the close of the Credentials Committee meeting preceding the convention. The number of alternates' names submitted shall not exceed the greater of 50 or the number of delegates allocated.

The number of alternates' names submitted shall not exceed the number of delegates allocated.

PROPOSAL C – DUAL AFFILIATIONS

Rationale: The Libertarian Party is intended to be an affiliate group of state parties that maintain a distinct political identity separate and apart from other political parties. Over the past few years, due to factionalism, there has been an effort to dilute this intent by soliciting state parties to be dual members of both the LP and another national party, with the possibility that there may be conflicting presidential nominations. The national party needs to be a cohesive unit, no matter what “faction” may be in the ascendency, so that we maintain our unique identity and not fall prey to outside party splitting.

CURRENT WORDING

ARTICLE 5: AFFILIATE PARTIES

[...]

4. No affiliate party shall endorse any candidate who is a member of another party for public office in any partisan election. No affiliate party shall take any action inconsistent with the Statement of Principles or these bylaws.

No affiliate party shall take any action inconsistent with the Statement of Principles or these bylaws.

[...]

PROPOSAL D – CLEAN UP AFFILIATION LANGUAGE & RESPONSIBILITIES

Rationale: There are perceived ambiguities in this section and one omission. One ambiguity is that the LNC must take any taker (or even the first taker) on a petition for affiliation even if there is a good reason not to do so. The second ambiguity is whether or not the duty to provide the governing documents is ongoing. The omission is the lack of requirement for it to be sustaining members of the Party that are required to sign the Petition for Affiliation.

CURRENT WORDING

ARTICLE 5: AFFILIATE PARTIES

[...]

2. The National Committee shall charter state-level affiliate parties from any qualifying organization requesting such status in each state, territory, and the District of Columbia (hereinafter, state). Organizations which wish to become state-level affiliate parties shall apply for such status on a standard petition form as adopted by the National Committee, which petition shall be signed by no fewer than ten members of the Party residing in the appropriate state. Affiliate party status shall be granted only to those organizations which adopt the Statement of Principles and file a copy of their constitution and/or bylaws as adopted with the Party Secretary.

PROPOSAL E – NATIONAL DELEGATE QUALIFICATIONS

Rationale: As of right now, one of the potential of two qualifications to be a national delegate is to be a member of the Party, which is just someone who has signed the Pledge. There should be more investment in the Party, thus, this change would make one of the qualification paths require national Sustaining (dues-paying) membership.

[...]

PROPOSAL F – AFFIRMING DELEGATE COUNTS

Rationale: The count of each member and computation of convention delegate allocations for each affiliate is not subject to challenge by any member or affiliate outside of convention or action by the National Committee. A count of members that is too low or a computation that is in error could unfairly disadvantage or advantage an affiliate’s representational capacity at convention. In addition, in practice, the Secretary has not performed the count or computation.

PROPOSAL G - CLARIFY MEMBERSHIP DEFINITION

Rationale: At times, it has been alleged that the word “member” has been used loosely to describe a non-Pledge signer. This proposal would allow no confusion that the signing of the Pledge is absolutely required to be called a national Party Member.
