

LIBERTARIAN PARTY OF COLORADO

Database Manager Report for January, 2022

As of 12/31/21, no events had been posted for the following county Affiliates – Mesa, Pueblo, Larimer, Weld, Douglas, El Paso, Chaffee, Boulder, Phillips.

Our transition to Amazon Simple Email Service was successful.

The Convention Committee has not finalized their pricing for the convention so front page links to the convention page have not been implemented.

The national party is providing twice a week CRM support for users during January. Any user may ask for help on Thursdays from 8 to 10 pm ET and on Saturdays from 2 to 4 pm ET at <https://meet.jit.si/CRMUsers>.

See following time report.

We pay \$90 per month to the LNC for 3 hours of priority support per month for the CRM.

We spent \$1.41 on email services from Amazon in December, 2021. This cost is recorded as an In-Kind donation by the Database Manager.

We have a \$200 credit with MailChimp for email services in lieu of maintaining our account for \$10 per month.

Respectfully Submitted,

David Aitken
