Resolution on Cuban prisoners, move the following Resolution (Communications)- background will be given at meeting. This resolution was passed by multiple state parties as part of an event spearheaded by the Libertarian Party of Nevada:

The Libertarian Party of Colorado condemns the unjust detention of libertarian activists Ubaldo Herrera Hernandez and Manuel Velasquez by agents of the Castro regime in Cuba on February 2, and demands the immediate safe release of these political prisoners who were targeted for their peaceful activism promoting limited government and free markets. We further ask the U.S. government's State Department to place diplomatic pressure on the Castro regime for their release, and encourage Libertarian Party members and supporters to contact their elected officials toward that end.
